Light Mobius, 25 years later:
After the fall of Robotnik,
King Sonic has vanished
from the face of the planet.
Shadow the Hedgehog has
taken over and rules with an
iron fist. With the Dark
Presence under his
command, his dynasty is
undisputed. There are some
who oppose him - those who
are not afraid of the
dire consequences...

PAWN AGAINST KING

I've told you
several times now:
I am not part of any
rebellion! Why am I here
in chains without
my clothes?

You have been
brought here, esteemed
EX-enforcer Knuckles, because
you are under heavy suspicion of
treason to the crown! And our
momentary indecency is part
of my plan to loosen
your tongue...

I can't imagine what
twisted plan you have in
mind, but I can say that
it's a waste of time. I am
not a conspirator!
LET ME GO!

FOOL! You are
still defying your king?
Very well, you have just
forfeited your chance at
redemption. Now you will
experience a defector's
punishment!

Kommissar, post our
elite guards outside this
door at once and make sure you
lock us three in! We shall
execute our very own
interrogation!

Your wish is my
command, sire!

I am ready to commence the procedure, Lien-Da. Have you ensured that there will be absolutely no disturbances?

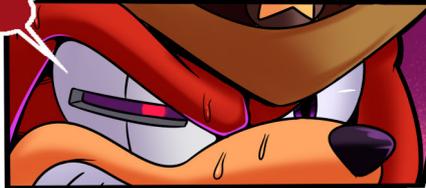

Yes, My Lord! No intruder will disturb Your Majesty's royal punishment, my trusty whip will make sure of that! Allow me to prepare for the... Interrogation!

Watch and learn, Knuckles. Our devoted Chief of Security shows me the kind of obedience I expect you to have.

The only things I can learn from her are deceit and sadism! What are you going to do with me?

Indeed, my loyal commander! Let us begin our merciless torture, for I am more than ready to demonstrate this traitorous fool the wrath of my royal sceptre! HA HA HA HAH!

Actually, we're quite happy with your attitude - it wouldn't be as fun to squeeze the truth out of you if you confessed already!

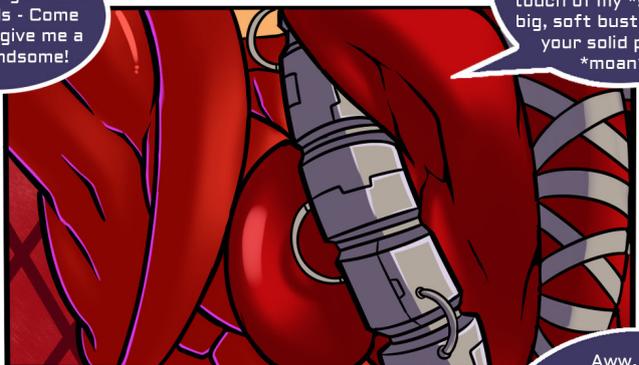

Hmph! You can't compare yourself to her, you iron bitch! And keep your filthy paws off me, or you will regret it!

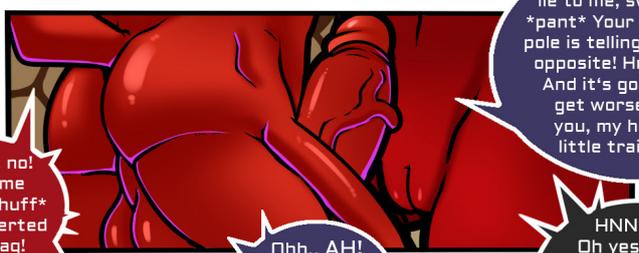

I'm really going to enjoy this, dear Knuckles! When this is over, my insignificant stepsister will never again leave any impression on you!

Oh, you're sooo threatening... Let's be friends - Come here and give me a hug, handsome!

Mhhh... Wow... Such a big man! What's wrong, Knuckles? *Gasp* Don't you like the touch of my *snicker* big, soft bust against your solid pecs? *moan*

Aww, don't lie to me, sweetie *pant* Your big, red pole is telling me the opposite! Hmmm... And it's going to get worse for you, my hunky little traitor!

Wha- H-HEY!! D-d-don't touch me, you crazy b-broad! Argh... What... are you... doing?!

H-heck, no! Leave me alone... *huff* You perverted -Ah!- hag!

Dhh.. AH! Oh, my... Your Majesty *pant* is s-so big...

HNNGH! Oh yes... My dear Kommissar, *huff* this shall be a glorious experience...

snicker The prisoner is under my control... I am ready for you now, Sire...

Excellent, then let us commence ...

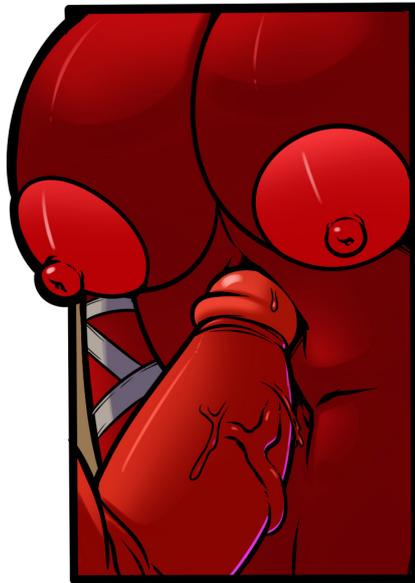

It's a taste of what you could have had if you hadn't betrayed your king.

I'M MARRIED, YOU SKANK!!!

And *Slurp!* believe me, hot stuff, I would have rocked your world...

H-hey, what is this? Some sort of sick joke?

And yet *Hmph!* you enjoy the Kommissar grinding against you. Rest assured, Knuckles, she's as good as she looks.

Grunt I won't show just you, but our prisoner as well *Agh!*

Please, Your Majesty *Ah!* faster, harder! Show me *Moan* how fierce you can be!

Hmmp
F...ftop ipff...
Grunt
Gmmp*!

Ack!...
...*Ptoie!*
Arghh... You...
Shameless hag...

Moan! Aw,
I love it when
you talk dirty!
Slurp!

Hah!...
Delicious, isn't
she, Knuckles?
Grunt!

Does it also
thrill you to see
me hump one of
your kind?
Pant!

Aaaahh...
Your Highness is a
prize stud *Rawr!* ...
What do you think, my
boytoy-in-law? Wanna
turn the tables?
Snicker

Splendid
idea, Kommissar!
Huff! Let us
show him the
bitter dregs of
dishonesty...

They shall
however taste
very sweet to
us, Milord...
Pant!

Dooohh...
Moan! So big...
So dominant... A
mighty sceptre,
Sire!

Verily, a king
sized pole of
masculinity *Groan!*
Fit for your luscious
cushiony melons...

Hargh!
I... did nothing
wrong... *Hngh!*
Let me go! Get
away *Huff!*
from me!
Umph!

Do you hear
that, Milord?
He's suffering -
The poor sap may
be in need for
another -heh-
comforting
embrace...

I... I can't hold it anymore... My beloved wife... My sweet daughter... forgive me... I failed you...

MHH!
Your Majesty...
Slurp!

Groan Damn, Lien-Da... I must say, *Gulp* your technique is impeccable... I am getting quite close myself to...

HAH

HAH

HAH

Slurp I hope you are *lick*as satisfied as I am, Sire...

Huff You were amazing, Kommissar! I see our -heh!- excited guest is quite agreeing. Very well, once again the time has come to inquire...

See how hopeless your situation is, Knuckles? I command you one more time; **CONFESS** your treason to me...

...Or you **WILL** experience this lesson in humility again and again until your total **EXHAUSTION!**

I've told you...
Huff! ...I am NOT a conspirator... *Huff!*
If you think I'll confess to anything *Pant!* you're a bigger fool than me...

Very well, you stubborn ingrate!
Enough of your insolence!
GUARDS! Throw your EX-Chief Enforcer into the DUNGEON and send out a patrol squad to ARREST HIS FAMILY!

Perhaps subjecting THEM to the same ordeal will bring results - From THEM or YOU!

See that, Your Majesty?
He's STILL defying you!
We should hit him where it HURTS...
Snicker

WHAT?!? NO!!!
YOU MONSTER!!! LEAVE THEM ALONE!
THEY HAVE NOTHING TO DO WITH THIS!!
THEY'RE AS INNOCENT AS I AM!!!

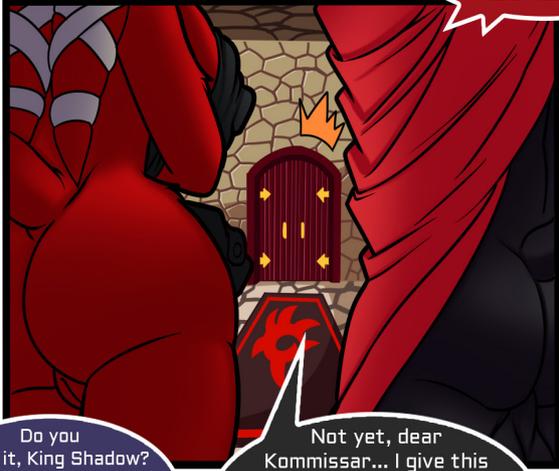

LEAVE MY FAMILY OUT OF IT!!
IT'S ME YOU WANT!!
GRRRAHH!!

Hmph!
Pitiful seeing such a valuable commander falling into dishonor...

I SWEAR, IF YOU HARM THEM IN ANY WAY,
I'LL MAKE YOU REGRET IT!!!

As you wish, My Lord!

Do you mean it, King Shadow?
May I conduct further investigations against my detestable step-sister?

Not yet, dear Kommissar... I give this fool one week of sulking in wrath and despair before he BREAKS. I am no monster...

...Though I don't mind going to EXTREMES for my goals! I'm going to retire to my royal chamber for today, Lien-Da - Make sure no one disturbs me!

Commander Kathy, stand guard! I'll be resting in my quarters and do not wish to be disturbed.

Understood, Your Majesty!

And so, another day under the iron clad rule of King Shadow comes to an end. And while the King rests from bringing down His twisted justice...

...The proud echidna landed in the same place he had brought many unfortunate souls to. But is all truly lost for him?

We love you, Dad...

Be strong, my lovable Knuckles...

Be... S..tro... ng...

...Love ...you... ..Da...d...

Well, well... Looks who's sharing a bunk with me...

Hello there, handsome! Long time no see... What brings you to *this* side of these bars?

Perhaps in times of despair, when all seems lost, the unlikeliest of people can be your closest allies - But that is another story...
THE END (?)
