On a  
certain  
island,

there  
exists  
a certain  
vending  
machine...

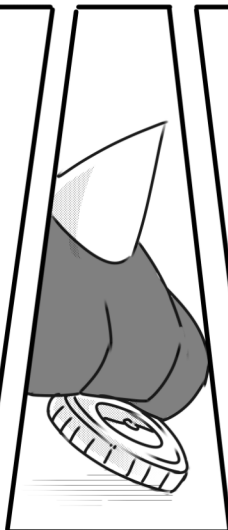

A special  
vending machine  
that sells sex

Pokemon-based

With rapidly  
growing  
popularity,  
it has even  
attracted  
clients who  
use it on a  
regular basis.

Most of the  
clients are  
humans...  
But on rare
