THIS MONTH'S SUBJECT:

MACRO / MICRO

One week after launching **devFEET One**, it's time for a second round with devFEET Two, with the subject **Macro & Micro!**

This magazine was a lot harder to do, since I put myself a shorter deadline to

produce a better work, while doing more and more content. Meanwhile, I'm reaping the harvest of all my real-life work, then it has forced me to ask for a few more days, and after three delayed days... there is.

I really don't have too much to say but thanks to get this magazine. I really want to improve my art skills, this is my first time drawing better furry anatomy (give a look at my main comic!), and your support allows me to keep going. I'm always open to suggestions, critiques and comments.

In this issue:

- 03. Zootopia
- 16. Sonic 3D gallery (+VR)
- 23. Illustrated fanfiction
- 36. Tutorial
- 41. Digimon

... SNIFF...
... OOOOHH... EEEEEEH.....
AAAAH-AAAAAN....

- AAAHH-**TCHIEWW**!!

The loud roar of a sickly dragon's sneezes could be heard across the hallway inside her home. A large pair of soft blue feet stretched out from under the bed sheets; her legs were too large to fit her whole body under the covers.

These feet belonged to no other gal's than Free, who was feeling quite under the weather for today.

-mmmmmm.....sniff...

She only had enough strength to slightly wiggle the tips of her toes as she laid motionless in bed. The scuffling sounds of bare feet on the wooden floorboards rushed into the room where Free rested.

- Here Free, I made you some chicken noodle soup for you; I made it extra warm with my powers just for you!

Even with her eyes closed shut, Free could recognize this voice from a mile away.

- Thanks Fire.... sniff...

Free slightly opened her eyes to take a look at the soup; trying her best as she tried to inch forward. "Nnnnghhh.... ahhh"

She fell back onto her pillow and sighed; her cheeks beginning to flush bright red. Moments later, Sky floated into the room with a cold washcloth floating beside her. The cloth slowly descends onto Free's forehead; slowly easing her discomforting expression.

The angel took a moment to thoroughly examine Free's blushing face.

- She does not need warm soup right now, we need to treat her fever by cooling her down.

Fire gazed at Free with tears forming in her eyes.

- We've tried that already, she's been sick for nearly a full week. If she doesn't recover soon, we're going to have a hard time having to pay for this month's rent...

Fire puffed out her cheeks in frustration.

- You don't work because you are considered legally dead, and I haven't had a great month with making tips because of the *recent festivities*...

Sky looked over at Fire with an annoyed glare:

- And I told you that your wild nights at the "Foxxxy dreams" strip club would not make a optimal career path.

Fire responded with her tongue extending from her lips.

The arguing sounds of the girls bickering caused Free to wince in discomfort.

- Hey... don't be so loud you two... - curling her toes, her wrinkles began to blush brightly around her sole.

- We should go... - suggested Sky as she suddenly teleported both her and Fire into the living room; landing on the soft couch together.

- Kyyaah!! Don't do that! You're gonna give me a heart attack!

- Fire was feeling very annoyed at this point, longing the desire to take out her frustration at her roommate.

- So now what are we supposed to do, you got any more bright ideas, airhead!

Sky positioned herself on the couch in a comfortable criss-cross position with her eyes fixed shut. She remained silent as Fire became more agitated.

- Quit ignoring me! Sky!

What a-... - before she could finish, Sky had extended her wings out directly in front of Fire's soles.

- Hush, let me think; otherwise I'll be forced to use my wings on you.... again.

Fire's body shook in fear with tears forming in her eyes.

- No, no... t-that's ok! Please don't tickle me...

Sky's wings slowly retracted behind her back. They both sat in silence as Sky was thinking of a way to help Free recover.

- The **Gigas flower!!** - Sky finally broke the silence;

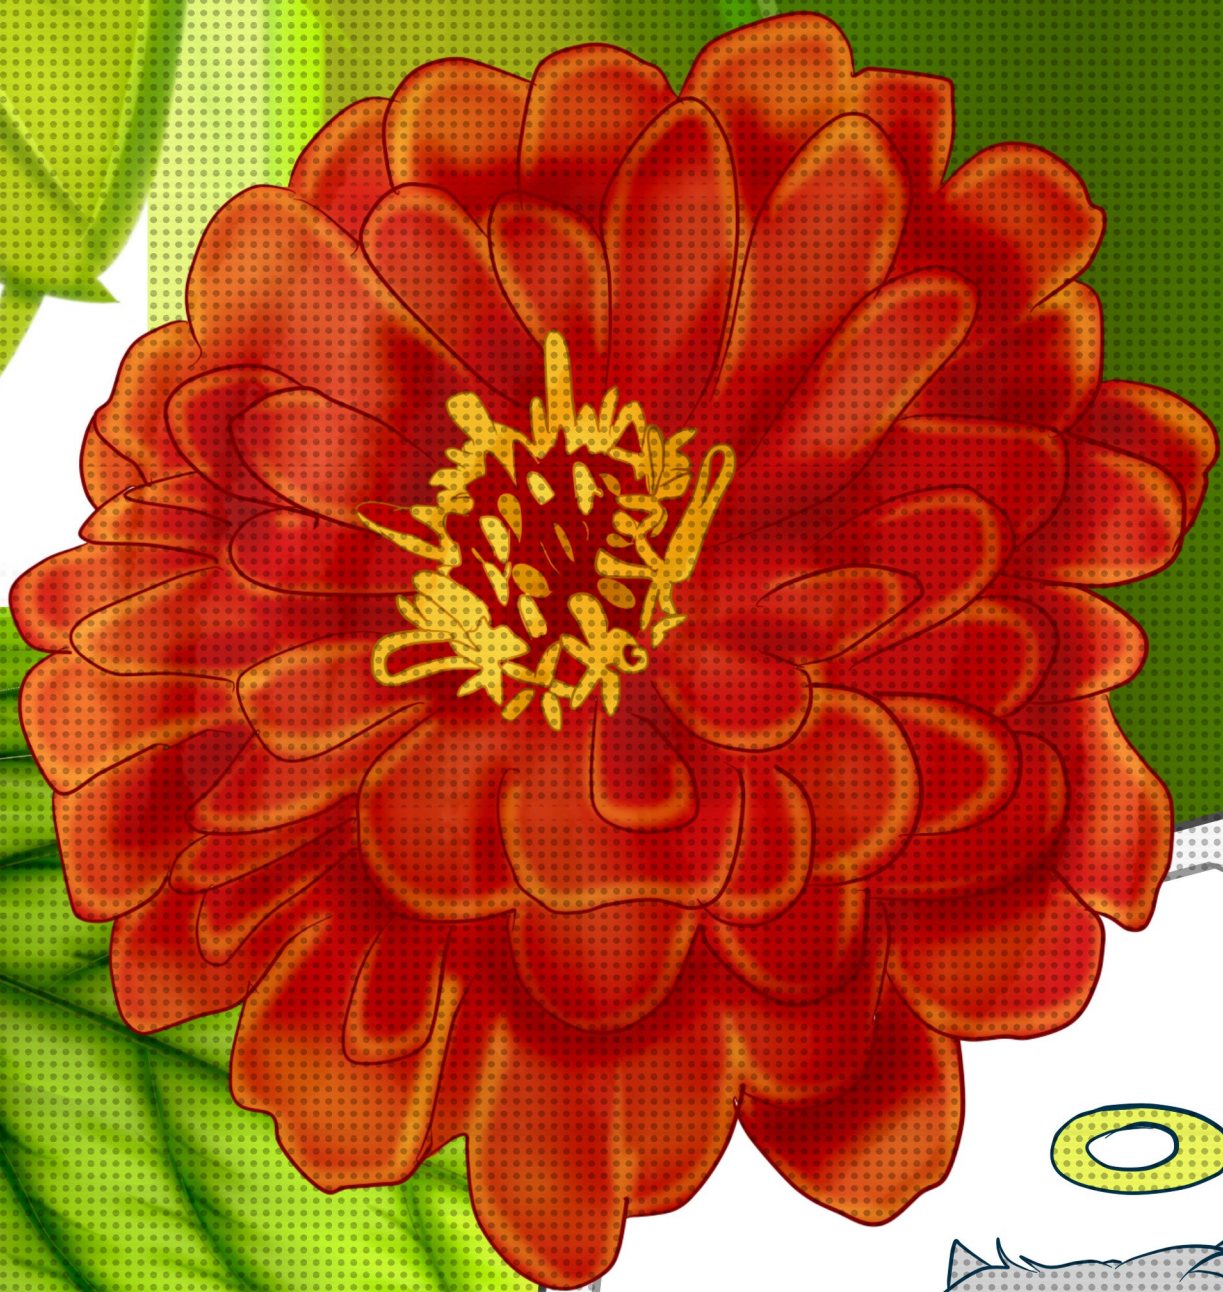

Startling Fire in the process!

- The 'Giga' what now?

Sky Instantly vanished in thin air. Fire jumped up from the couch with a yelp.

- Merda! I forgot she could do that...

She teleported back moments later with a large bright Crimson flower in both her hands.

- Legends say that this mystic flower can cure most Earthly ailments, but no mere mortal has ever set eyes on this forgotten fable!

Fire looked up to sky with a puzzled look.

- Then, where the hell did you even find it?

- From another dimension, of course, many of these flowers exist elsewhere.

- W-Whaaa?! How can you even do that!?

Sky's expression remained neutral:

- I'm legally dead, remember?

Fire responded with her jaw dropping from her mouth and a heavy sigh.

The girls returned to Free's room with the giant flower in hand. Sky hands the Flower over to Fire; she begins to walk over to Free, who was asleep, making small sniffing noises.

- Are you sure this is going to work? She just needs to take a sniff it right?

Sky nodded her head:

- You need to make sure that the pollen grains can enter through her nasal cavity. Once entered the healing process should start.

Fire lifted up the pedals to Free's nose waiting for the pollen to enter inside. Free took in a deep inhale; the golden pollen grains flew inside with ease.

Free's pale face slowly began to rush back to her normal blue color and felt at ease. She smiled and let out a huge yawn causing Fire to move the flower back.

- UUAAAAAHHHH....
OOOMMM!...

Free's mouth closed over Fire's arm that was holding the flower.

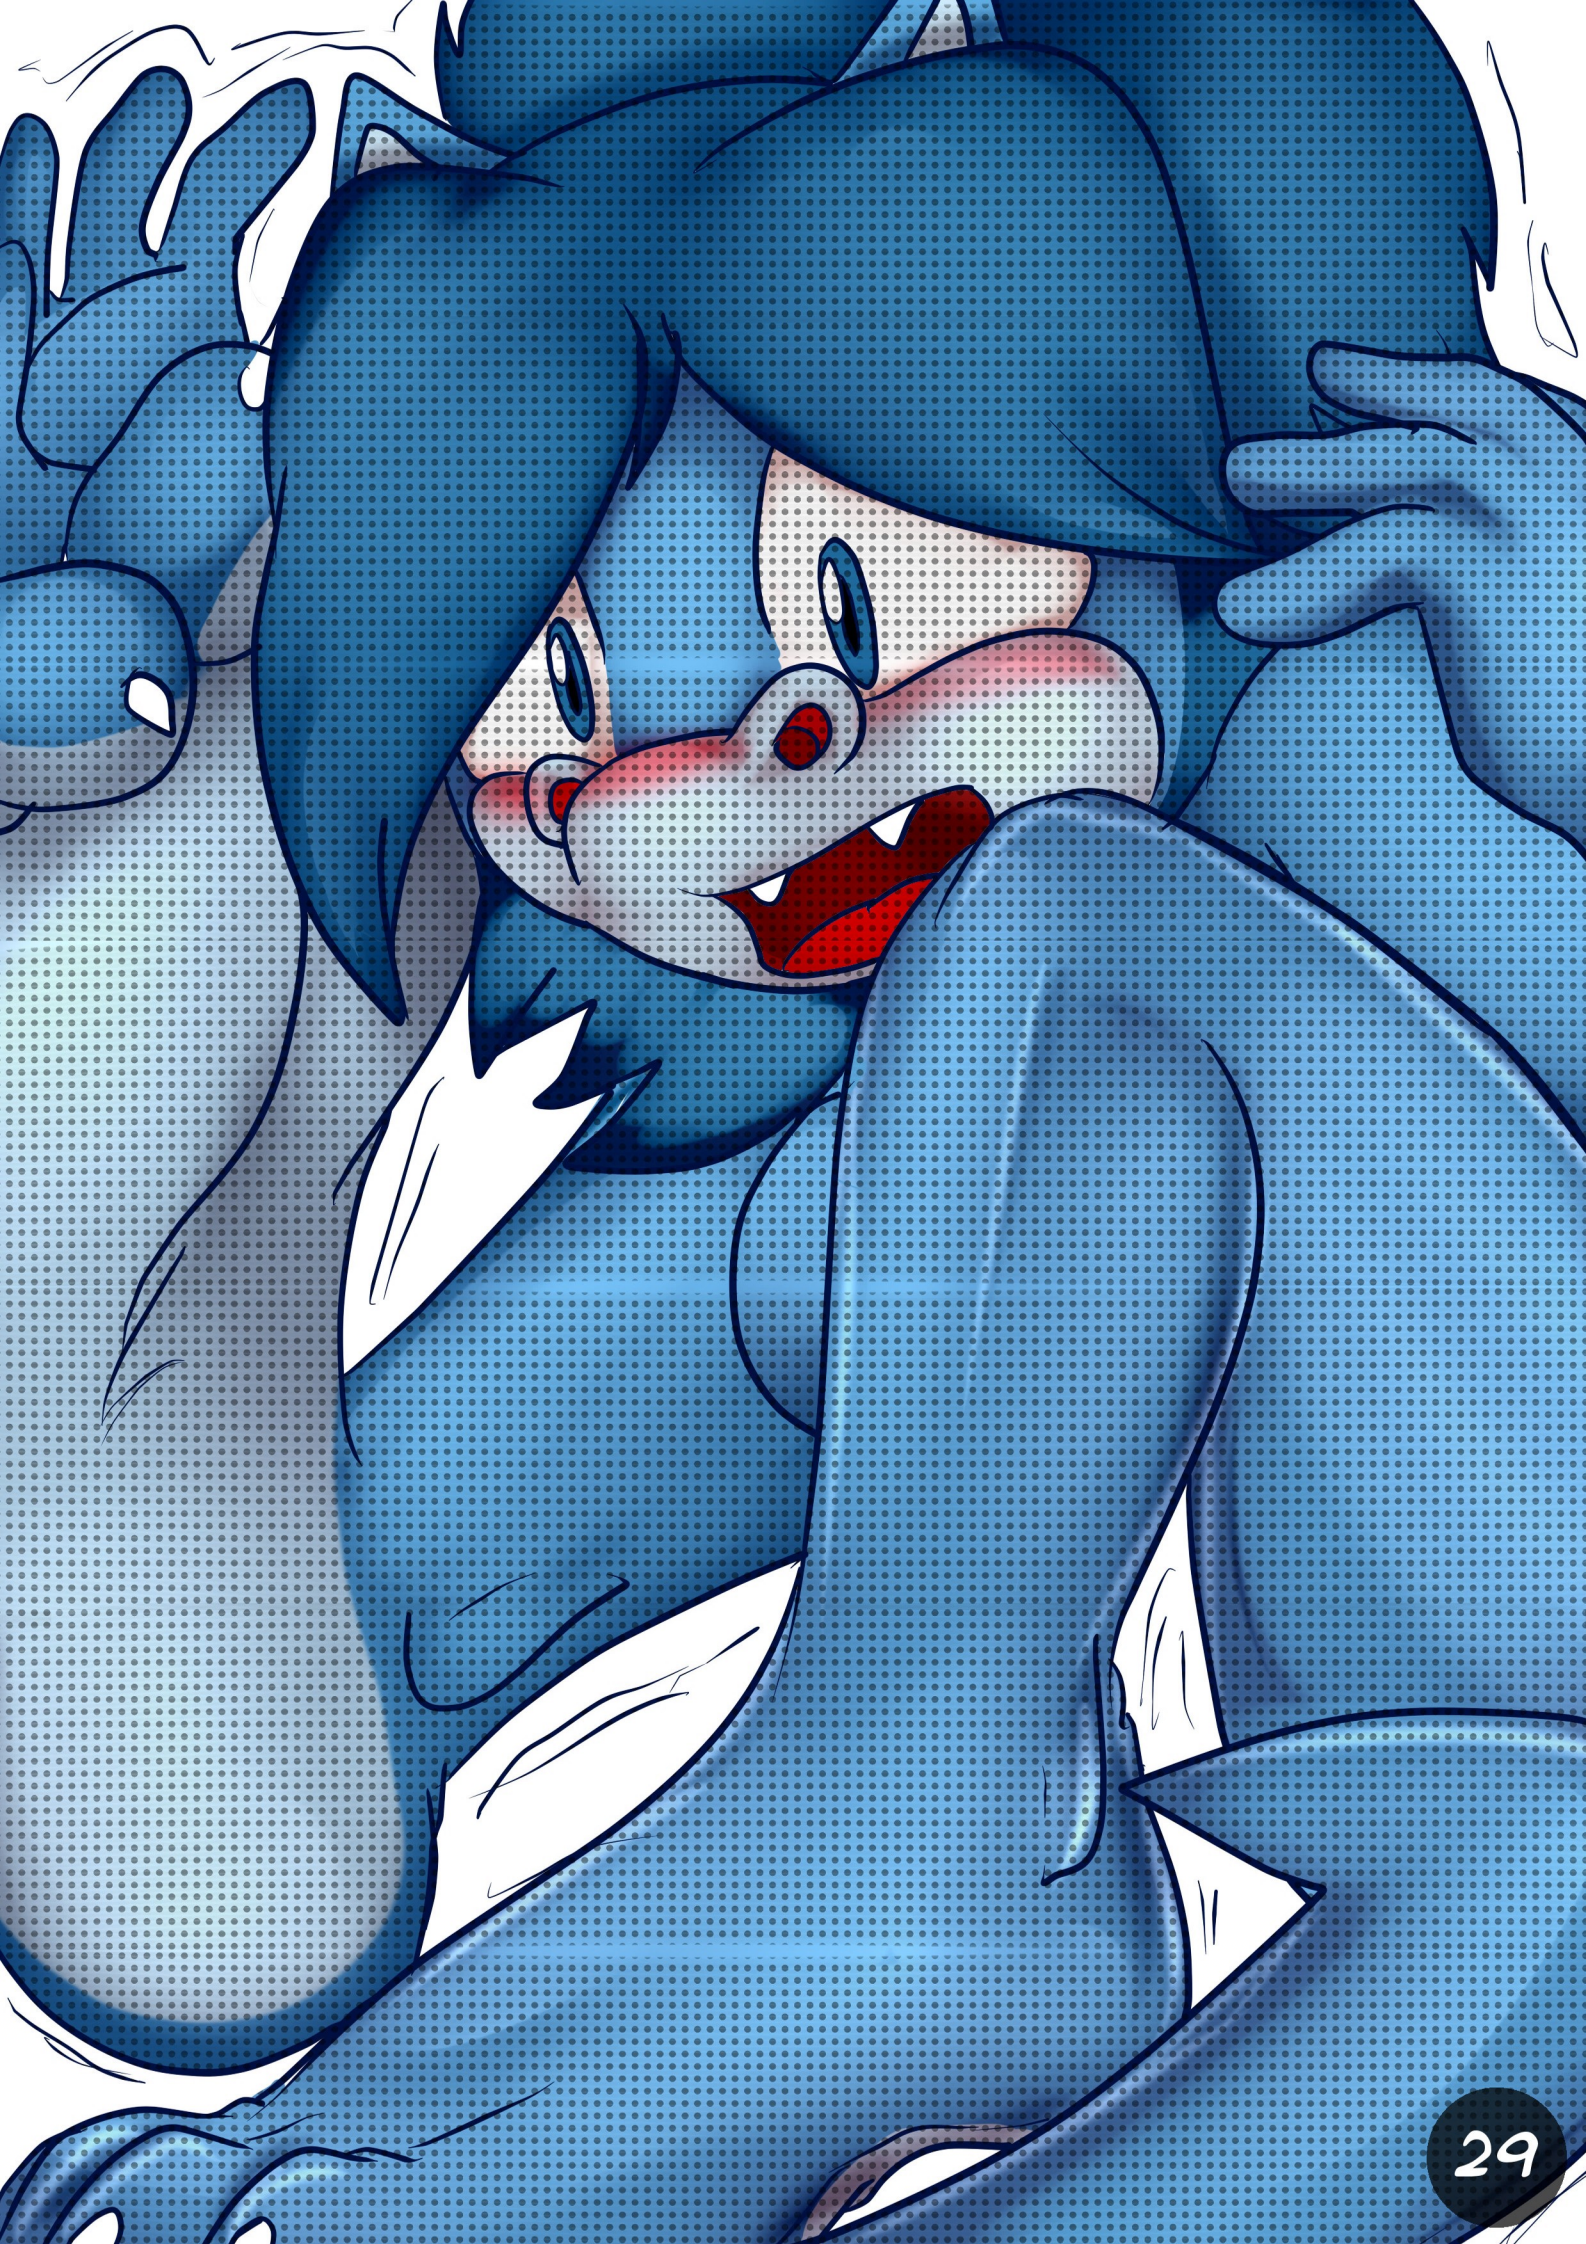

- KYAAAA!!! NOOOO!!! Let go of me! Pare, por favor!!

Fire's hand breaks away from Free's mouth as she falls down onto the floor, the flower nowhere to be seen.

- Fire! Don't lose the Flower, it is not meant to be edible and is dangerous when consumed!!

But it was too late, Free took in a big gulp and swallowed the flower whole.

-oops.

Free's bed started to rumble as the two watched in astonishment as her body grew twice in size; her clothes starting to rip and tear away on her body with the bed's legs breaking from underneath.

- AAAHH! Sky, what's happening?! Why is she Free the size of a car?

Sky flew over and grabbed onto Free's left sole.

- The Flower is causing Free to grow at an alarming rate, if we don't move her out, then we are going to lose the apartment!!

Fire rushed over and grabbed Free's right sole.

- What!?! Like hell I'm gonna let that happen!!

They both began to pull on Free's toes, having no luck moving her out of the crumbling bed. She continued to grow large with her feet pressing on the girls as they were being pushed into the small room's walls.

Free's face was near the point of touching the roof, the bed sheets were now shredded with her pajamas finally ripping off her naked body. The wall crack and break behind Fire and Sky's bodies; slowly squishing them under the pressure of Free's

soles.

- No, I don't wanna die, now I'll never be top striper at Foxxxy Dreams!!

Sky's Halo suddenly appeared and started to illuminate in a bright white light. The light surrounds the girls and brighten over their bodies; suddenly teleporting everyone out of the house.

Fire opened her eyes and was woken up by strains of tall grass tickling softly around her nose. All around her was a meadow of green; the outskirts of the city of where they lived could be seen in the distance. She leaned up and suddenly felt something very smooth and squishy on her back.

She gasped in amazement as is she discovered that it was Free, who had grown four times is size; and what Fire was feeling was Free's exposed, nude butt cheek; who was also flexing her soles.

- Oh, Dios mio!

She quickly ran over to the other side, where Free was still fast asleep with Sky nudging above

Sky's face to wake up.

- Mmmmnn...

Free's eyes calmly slid open; staring right at Sky.

- Oh, hey Sky... did I sleep through the rest of the morning.... I feel so much better now~

Her toes begin to wiggle playfully as she partially covers her eyes from the sunlight.

- It's so bright in here... why do you look so tiny?

Sky let out a nervous giggle.

- Hehe, well theoretically I am still my normal size, it is you who has grown up from your normal size.

Free contested with a confused look; having no memory of the previous events.

- What do you mean? Where are we? What happened to my room? Why are we ou....

- She looked down and soon realized that she was no longer wearing her pajamas; Or anything for that matter.

- Eeeeeaaaaahh!!! Where are my clothes!? Why am a naked, what if somebody sees my like this this!?! Sobs...

Tears begin to form under her eyes and blushing face; one of which roles down her cheek and

rushes ands down to Fire.

- Bwaah!!!

She quickly dives out of the way and the tear drop splashes forcefully on the ground.

- F-Fire?! Not you too!

Free quickly covers up her breasts with her right arm and uses her tail, to cover her lower region; her blush continued to increase bright red. Her soles fully exposed and flexing.

- Sky, why am I so big, I can't be seen like this!

The angel look at Free with concerned eyed.

- We wanted to help you feel better by using the power of the Gigas flower... but you consumed it in your sleep, causing the healing effects to multiply and made you grow gigantic...

Free's eyes loomed back over to Sky.

- Huh?! That's impossible, change me back now!

The dragon shuffled and kicked her feet around; pounding and stomping on the grass forcefully.

Fire lost her balance and tumbled onto the ground.

- Hey, watch it!

Free was now becoming more frustrated; her blush getting hotter around her cheeks.

- I can't believe this! Who's bright idea was it to use the flower, I wanna... I'll crush someone !!!.

- Sky attempted to calm her friend down.

- You needs to calm yourself Free, the effects will only linger if you stay angry!

Free's eyes were now glaring down upon the angel small figure.

- Who's.... Idea.... WAS IT!!!

Sky suddenly froze floating in air with sweat running down her forehead.

- ...uuuummm, it was Fire's idea.

- Say what!!- Fire gasped in amazement. - You can't blame this whole shit on me! It was your stupid idea to use the flower.

Sky contested back at Fire.

- Well you were the one that made her consume it by mistake! At least my powers saved ourselves from being crushed!

Free could not take any more of the two girls arguing.

- GRRRR... I'LL CRUSH YOU BOTH!

She suddenly grasped Sky; causing her to squeal in pain.

- Nnnghh!... F-Free! Stop this.... At once!

But the dragon ignored her pleas; carrying her down to her right sole. She pressed down lightly; knocking the air out of her lungs.

- Gaahh... m-my powers.. have not r-ecovered. RUN FIRE!!

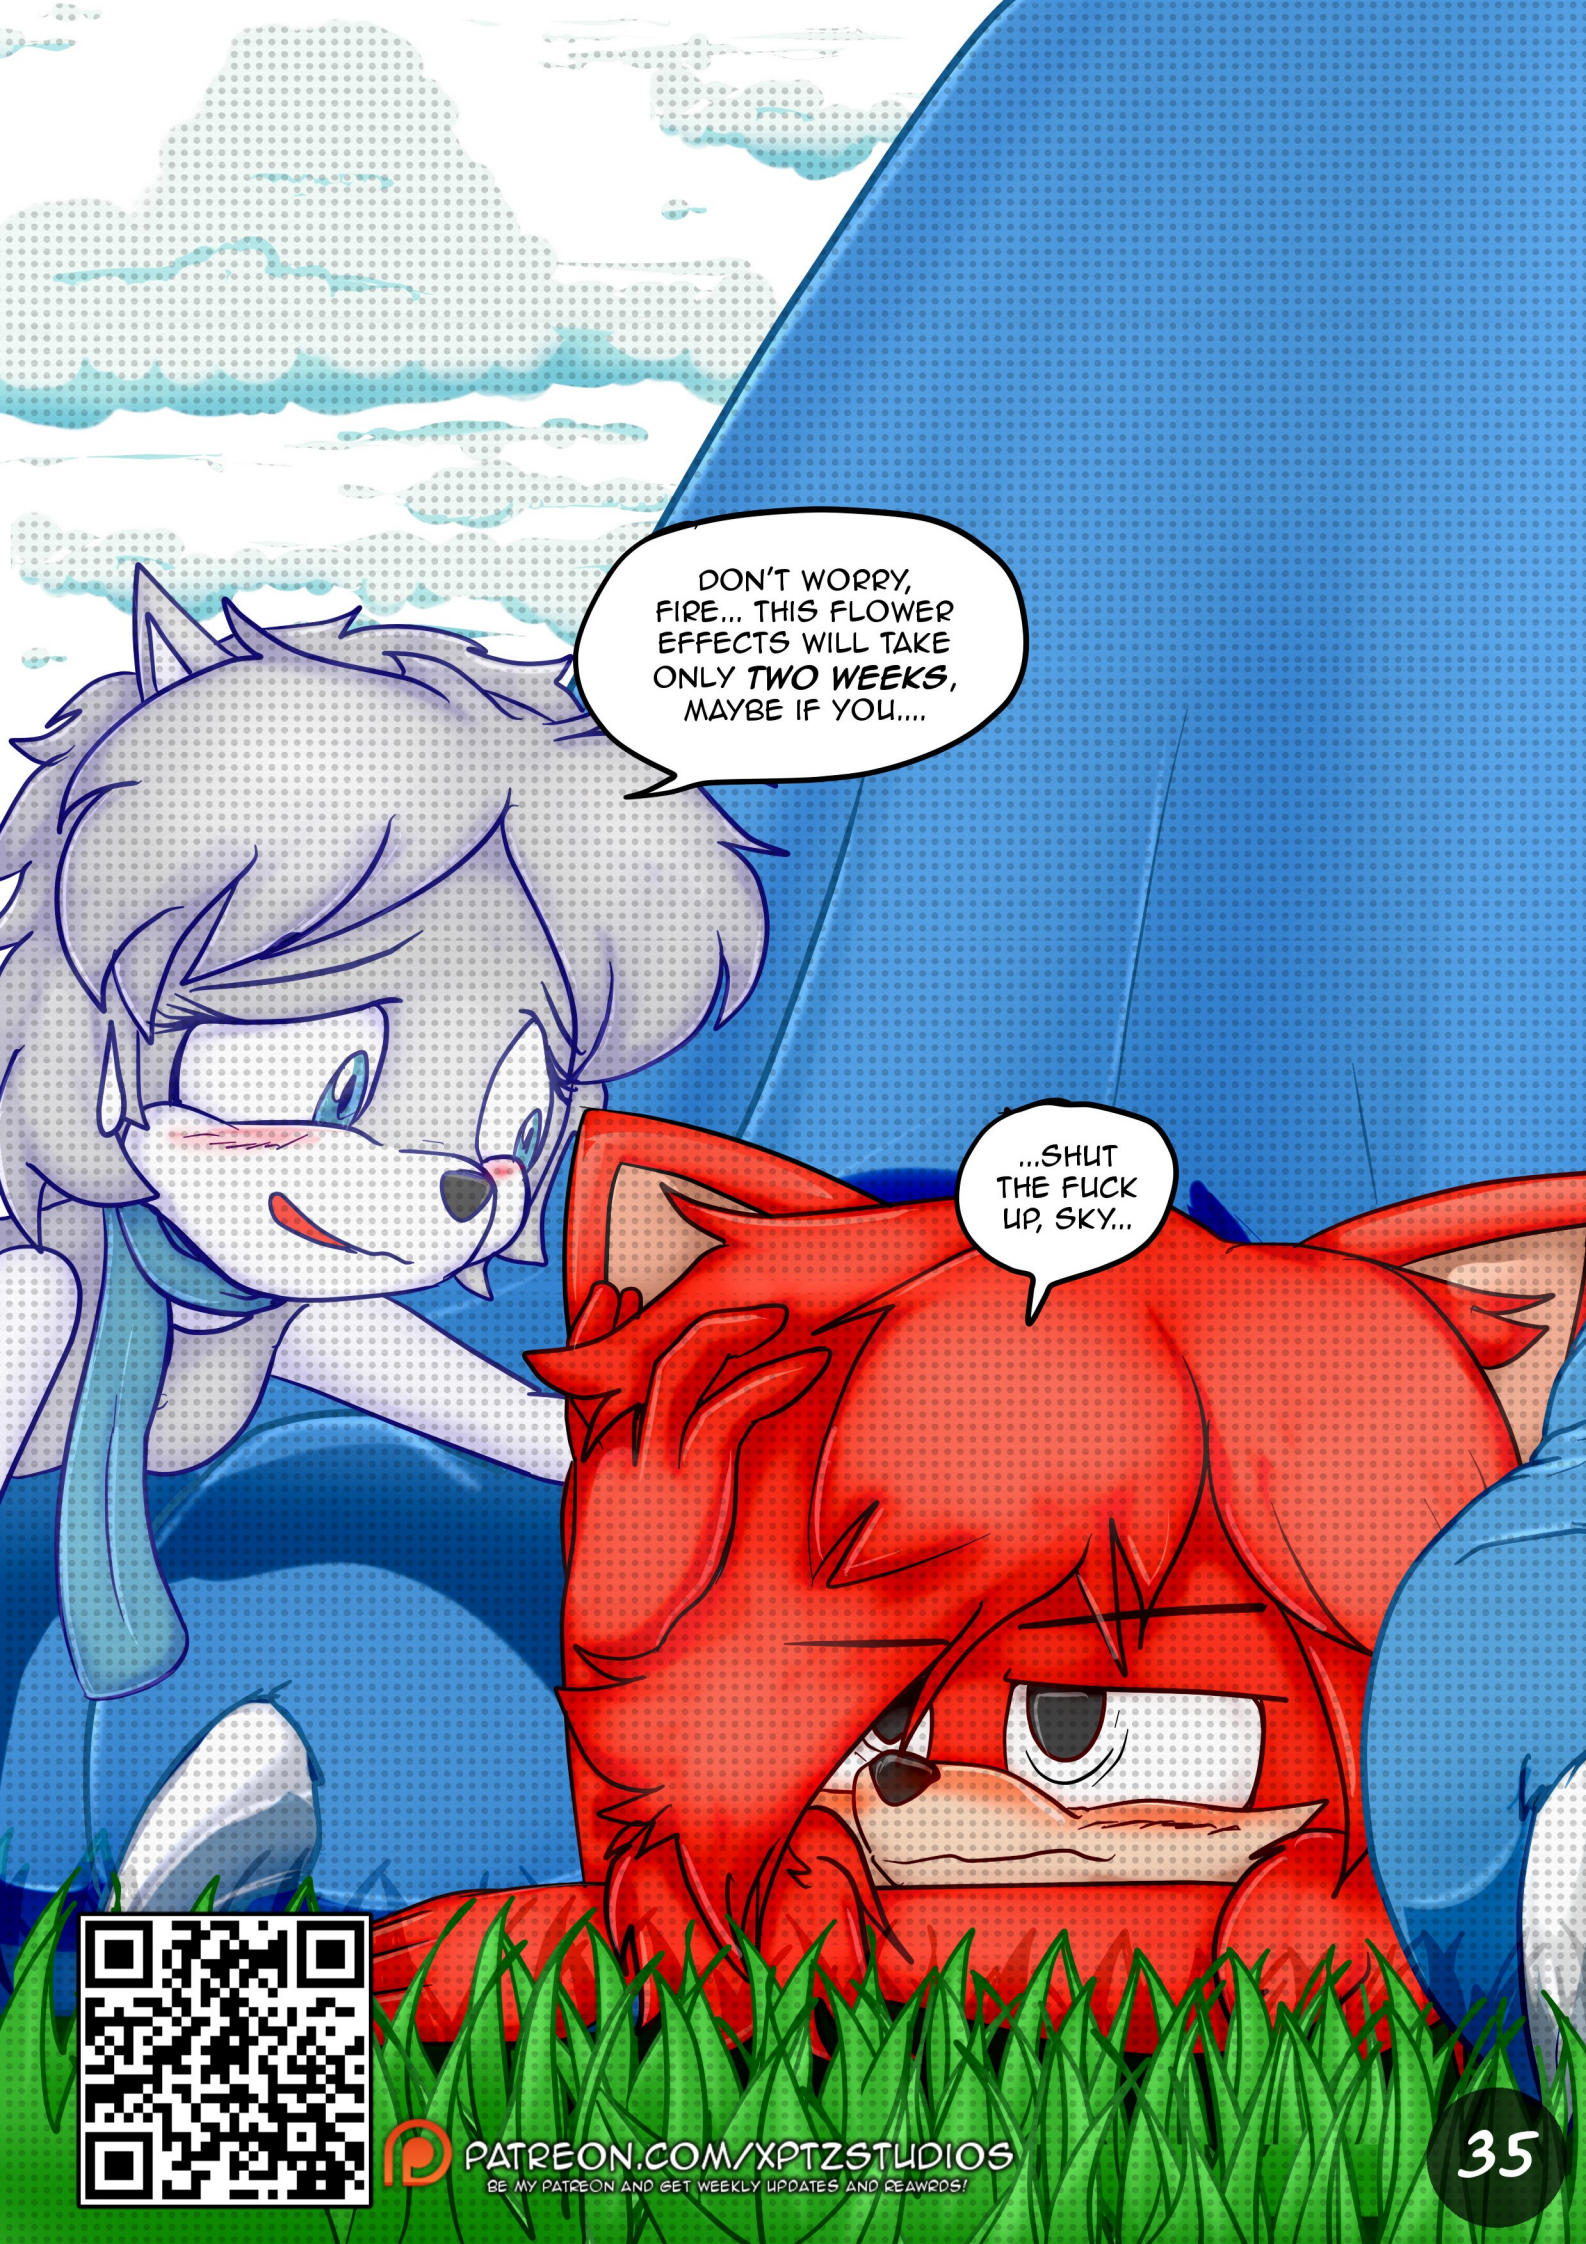

The vixen screamed in terror.

- SHIIIT!! - Gasping and panting, Fire sprinted as fast as she could towards Fire ran a good 50 yards before being forcefully stomped on Free's left sole.

- Eeeaaah! Stop it Free!

But the dragon did not listen and continued to hold them down. Her toes wiggling all over their bodies. A slight devilish and toothy grin formed around Free's mouth.

- Hehehe, you two feel really nice under my feet; I suppose this would make a good punishment for you two... ■

SOME IDEAS AND SUGGESTIONS ABOUT
HOW TO CREATE MACRO/MICRO DRAWINGS

WHERE
AM I?

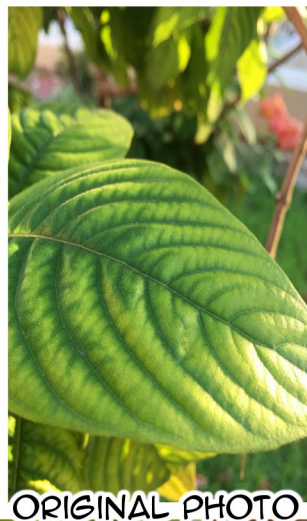

A GREAT WAY TO START STUDYING HOW MACRO/MICRO DRAWINGS CAN BE MADE IS TAKING SOME PHOTOS IN THE NATURE. IF YOU HAVE A SMARTPHONE WITH A NICE CAMERA, GO OUTSIDE HOME AND TAKE PHOTOS AROUND YOU: GRASS, CLOUDS, FLOWERS, GROUND, EVERYTHING.

YOU CAN USE ONLINE PHOTOS FOR IT, BUT WITH YOUR OWN PHOTOS, YOU CAN TAKE DOZENS OF ANGLES WITH THE SAME OBJECT. STUDYING HOW LIGHT CAN DISSIPATE, HOW SHADOWS ARE MADE ETC.

GIVE A LOT OF **ATTENTION** IN YOUR MACRO/MICRO DRAWINGS. TAKE YOUR TIME TO CREATE YOUR DRAWINGS, PUT THE MOST DETAILS AS YOU CAN! IN YOUR FIRST DRAWINGS, USE YOUR PHOTOS AS BASE, DRAWING OVER IT IN ANOTHER LAYER, COPY-PASTING THE COLORS AND OVER-USING THE AIR BRUSH AND WATER BRUSH.

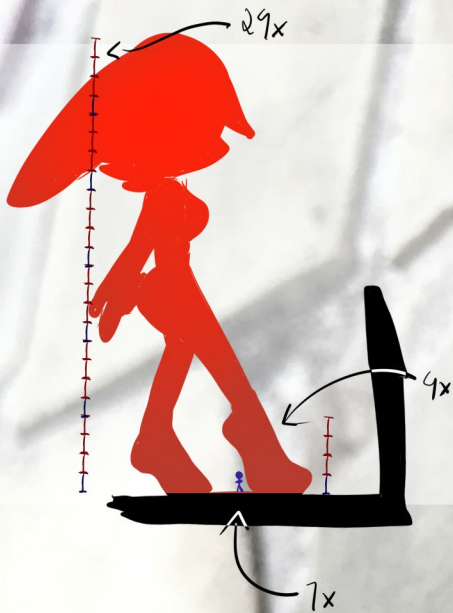

AVOID USING BLACK LINES AND SHADOWS IN NATURE ELEMENTS, BECAUSE BLACK IS TOTAL ABSENCE OF LIGHT. YOU CAN GET MORE INFO SEARCHING FOR **THEORY OF COLORS**.

ORIGINAL PHOTO

QUICK TIP: IF YOU WANT TO GIVE SOME FOCUS ON YOUR DRAWINGS, USE THE BLUR EFFECT. IN **GIMP**, DUPLICATE YOUR DRAWING LAYER AND USE "**GAUSSIAN BLUR**" ON THE TOP LAYER. THEN, USE THE ERASER TO REMOVE BLUR IN ANYTHING YOU WANT TO FOCUS.

IF YOU ARE UNSURE WHICH SIZE YOU WANT TO DRAW YOUR CHARACTERS, YOU CAN USE A QUICK **SIZE SHEET**, WHERE YOUR MICRO CHARACTER HAS 1X SIZE. KEEP THOSE SIZE SHEETS IN HAND WHILE DOING A LONG COMIC STORY.

ANOTHER WAY TO DRAW CORRECT GIANTESS DRAWINGS IS DRAWING **PERSPECTIVE LINES**. THIS PHOTO ALREADY HAS A HORIZON LINE, BUT YOU NEED TO LEARN HOW TO CREATE PERSPECTIVE LINES BY ONE, TWO OR THREE VANISHING POINTS. SCAN THE QR CODE BELOW TO LEARN ABOUT IT.

PERSPECTIVE

PERSPECTIVE TUTORIAL

YOU NEED TO BE SURE HOW INTENSE A SHADOW CAN BE PRODUCED FROM A BIG OBJECT. LARGER AREAS PRODUCES A DARKER SHADOW IN THE CENTER, WHILE STRONG LIGHT PRODUCES A HARDER SHADOW (USE AIR BRUSH FOR IT).

1 CHOOSE YOUR
VANISHING LINES

TIP: USE A PHOTO
FOR REFERENCE

2 SKETCH A
ROUGH BODY

3 SKETCH THE
SHADOW

↙ IN THE FINAL
ART, THIS

BE MADE IN
FRONT OF
THE CHARACTER

THIS IS AN EXAMPLE OF A GIANTESS DRAWING. I TOOK A PHOTO OF THE SKY, INCLUDING TREES AND POWER LINES.

ALWAYS PUT KNOWN COMPARABLE OBJECTS FOR SIZE MEASURE, OR ELSE YOU WILL CREATE A POINT-OF-VIEW DRAWING INSTEAD OF A GIANTESS ONE

ALWAYS DRAW YOUR OWN BACKGROUNDS, IT WILL HELP YOU TO EVOLVE YOUR ART STYLE. USE PHOTOS AS STARTING POINT.

FINAL VERSION:

I KNOW THIS ISN'T A COMPLETE
PERFECT TUTORIAL, BUT I AIMED TO
SHOW YOU A GOOD PATH FOR YOUR
ARTISTIC EVOLUTION, I MYSELF AM
LEARNING A LOT DOING THOSE
TUTORIALS I REALLY HOPE THIS TIPS
WILL HELP YOU IN YOUR DRAWINGS.
NOW IT'S YOUR TURN! ;)

interview

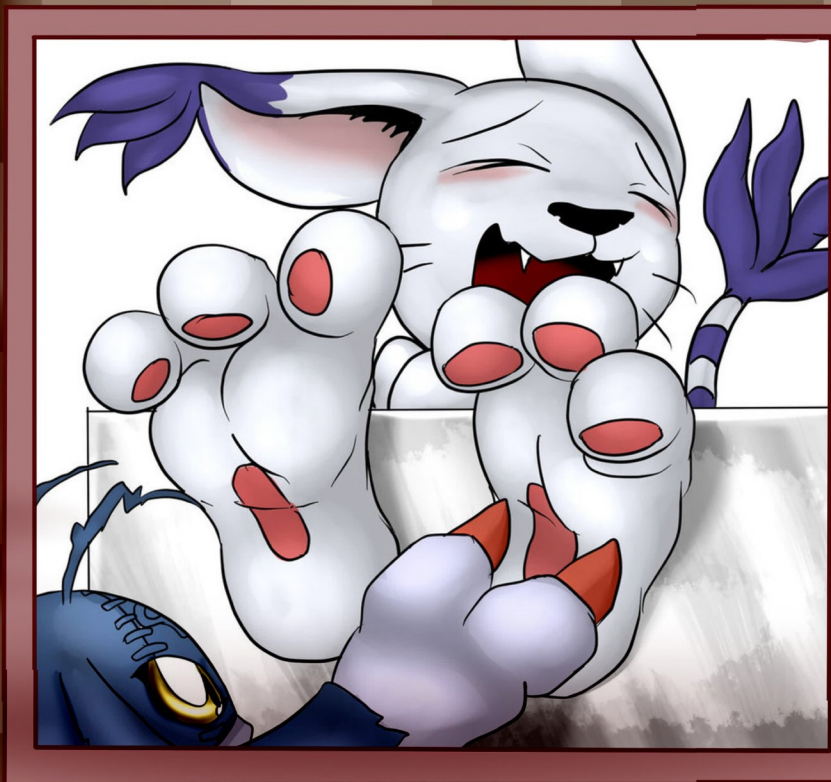

I HAVE LOTS
OF THINGS
TO SAY...

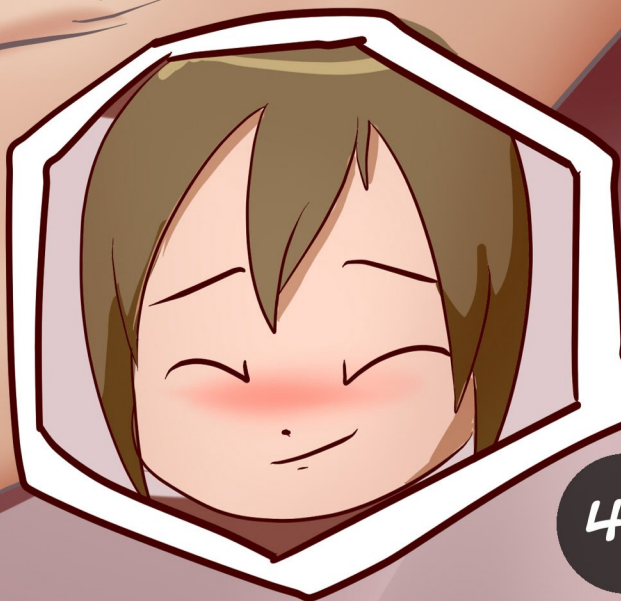

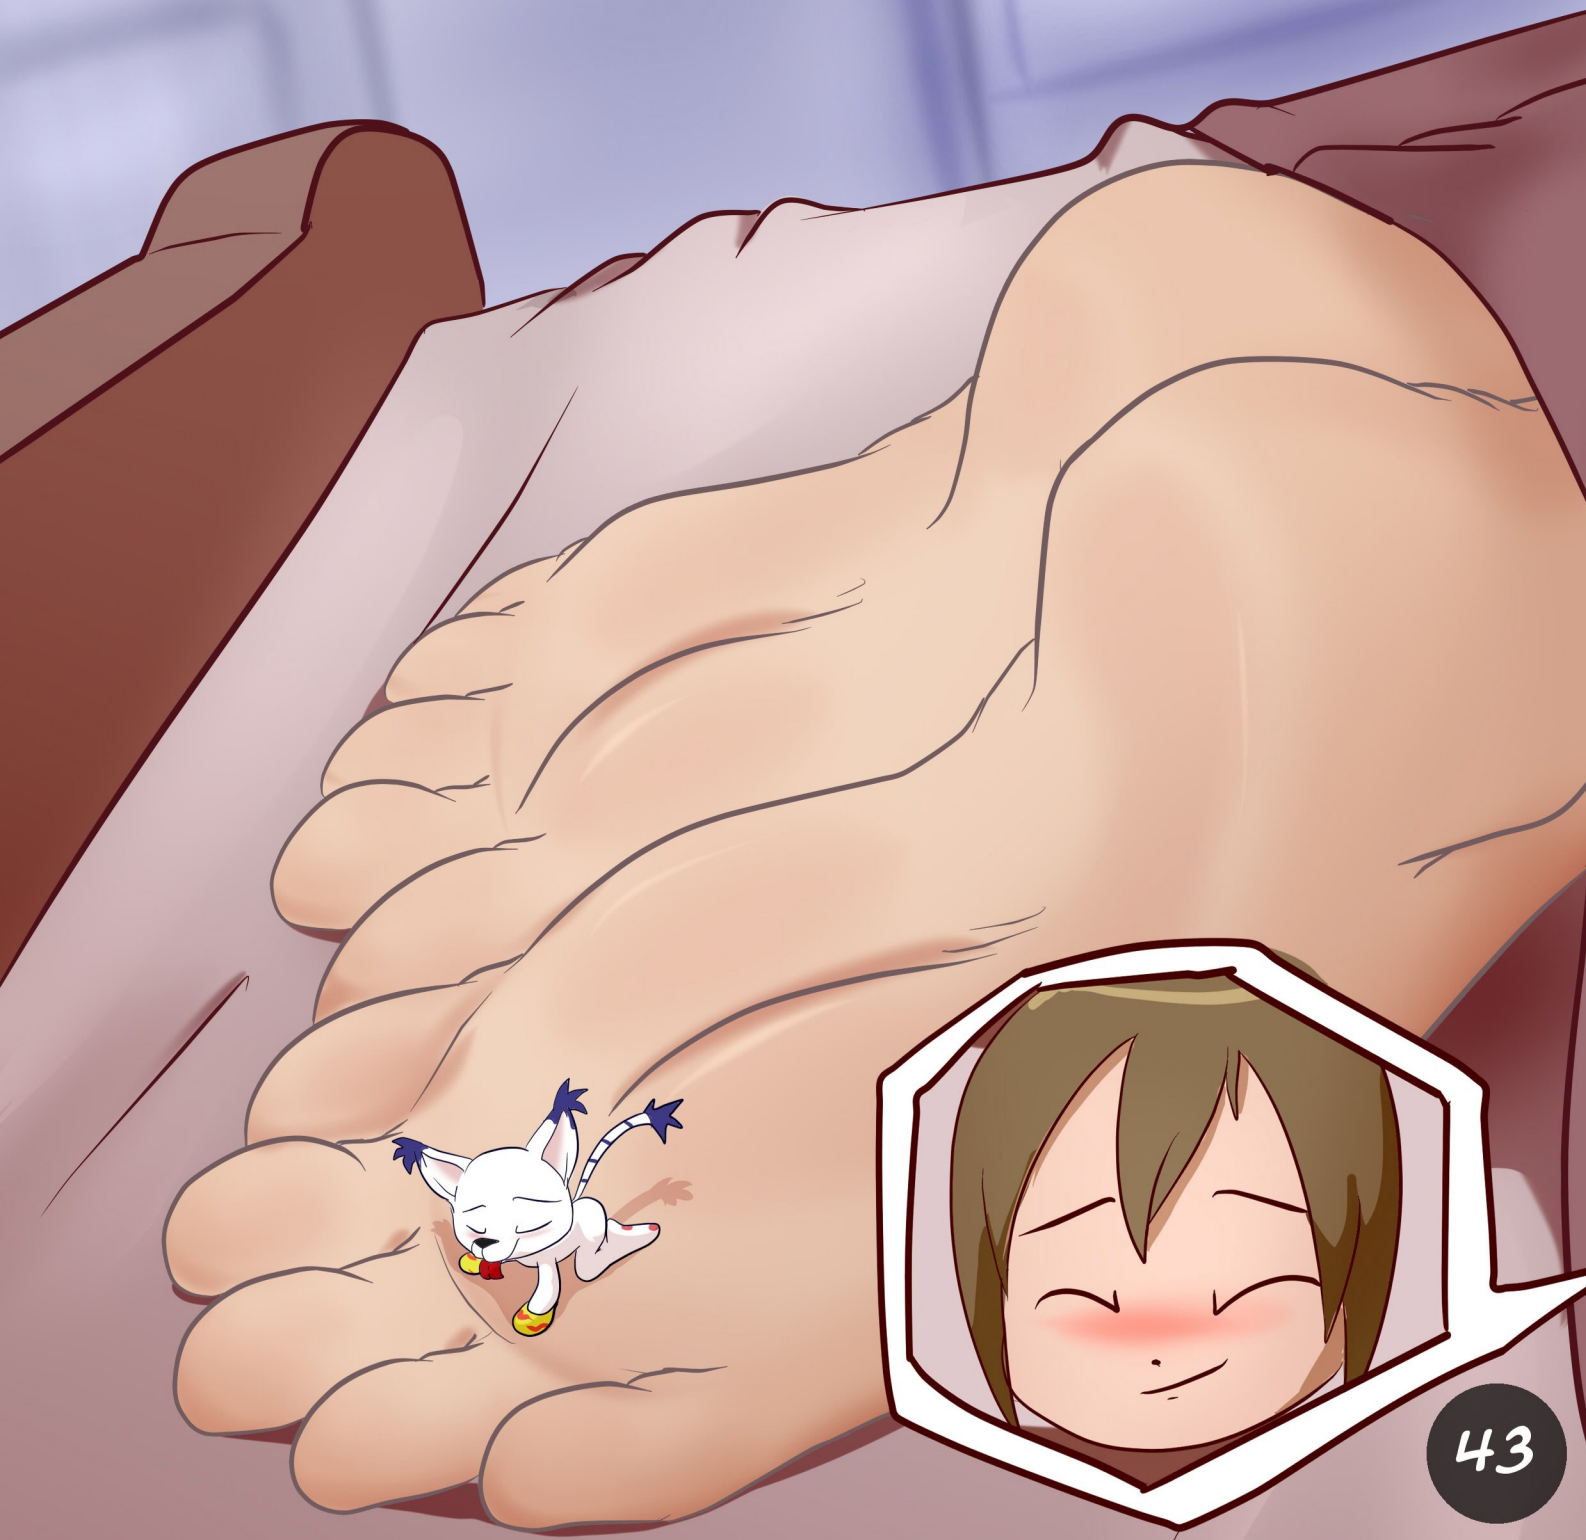

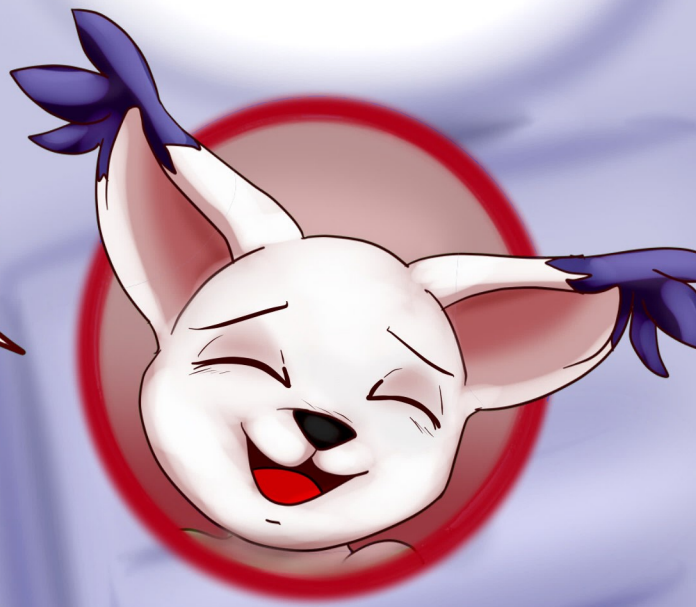

The day to day life of a
size changer

I REMEMBER AS IF IT WAS YESTERDAY ...
A FEW DAYS BEFORE I DISCOVERED
THAT I HAD THE POWER TO CHANGE MY
OWN SIZE, I KEPT ADMIRING MY
PREVIOUS **ADVENTURES** IN THE
FETISHIST WORLD ... GOOD TIMES...

WHEN I REALIZED I COULD CHANGE SIZE, THE FIRST THING TO DO WAS TO REALIZE MY DREAM: BE MICRO AND WORSHIP *KARI KAMIYA*'S FEET WHILE SHE IS ASLEEP...

I DID THAT WITH EVERYONE THAT I
KNEW... GOING MICRO AND
WORSHIPPING THEIR SEXY FEET...
BUT ONE DAY I GAVE UP DOING IT,
BECAUSE I COULD BE *DEAD*...

I FELT
AN ITCH
IN MY
SOLES...

IN THE NEXT DAY, I'VE TRIED SOME
MACRO SITUATIONS.... I REALLY
LOVED TO STOMP LARGE BIG
FIELDS AND MOUNTAINS, BECAUSE
I DIDN'T WANT TO KILL ANYONE...

... BUT PEOPLE DIDN'T LIKED IT,
AND THEY TIED ME TO THE BEACH
BRIDGE, AND I COULD NOT MOVE,
WHILE THEY LOOKED AT MY FEET
AND TORTURED ME ... *OUCH!*

SINCE THEN,
I DECIDED TO
AVOID USING MY NEW
POWERS... EXCEPT WHEN
I REALLY NEED...
ALMOST **EVERY**
MORNING, BEFORE
KARI WAKES UP...

I HOPE YOU
ENJOYED THIS
SPECIAL DEVFEET
EDITION, **MACRO/**
MICRO! I'LL BE
WAITING FOR YOU IN
THE NEXT ISSUE!
SEE YA!
