SUBL

Big, round, beautiful breasts! You crave them. You dream about them. Yes, girl. Your name tells EVERYONE what a beautiful little slut you are! Heaven. Mmmmm... Your body promises Paradise! But you KNOW... you really CRAVE for your breasts to be PERFECT. Amazing. LEGENDARY. I know, babi... you want breasts so huge, you can barely talk about it! You drive to the clinic, for “cosmetic enhancement”... and they TRY to help you. But it has never been enough, has it? Never big enough. Round enough. FULL enough. Never RIGHT. Except today... the clinic is under NEW management. That’s right, babi... Dominica has taken over. And I have a new breakthrough... a way to FORCE your breasts to grow... Oh... it’s not SO strange... A little medicated cream... a little gentle massage... Maybe a LOT of massage. What is it you’re trying to remember? It makes your nipples tingle. It makes them ACHE! Reach up, and touch your nipples. That little caress is SO soothing. So relaxing! It reminds you that you need to come back to My clinic... open your blouse... remove your bra... and offer yourself to Me. That’s right, girl... offer yourself... caress yourself... and feel the soft, gentle warmth of your breasts being squeezed... your nipples being pulled. Your new breasts are only a squeeze away. Get out a bottle of smooth, silky lotion... rub it in... and feel your breasts grow, girl!
