

# Hypnotic HUMILIATION 3

Good little slave boy. Good boy! You have responded so well to Dominica's training. Giving Me complete control over your tiny, little cock. Yes, controlling your orgasms. Putting you into chastity. You're horny all the time now, aren't you? Constantly aching for release, for even a moment's pleasure. But this isn't about YOUR pleasure it's about MINE! Through My training, you have become very skilled, at using a thick, rubber strap-on to pleasure a woman. So much better than that tiny sausage between your legs! But sometimes, a woman wants to feel a REAL cock inside her... long and thick... a REAL man, pounding into her, driving her toward ecstasy! And to feel his hot cum, spurting so hard into her, which she cums and cums, her pussy squeezing his huge cock, milking him dry. You can't do it not with that tiny dick of yours. So somebody ELSE has to! You're about to become Dominica's little cuckold slave! Dominica's cuck! And you're even going to help to get me ready for him... all dressed up, made up, perfumed, and waiting with My legs wide open. Open for him... NOT for you!
