

Masturbation Puppet Mistress

My little puppet... That's what you want to be. My puppet. My completely controlled little sex slave. Performing on My command like a little toy while I pull your strings. While I force you to put on a little show for Me, masturbating for My amusement. I'm going to transform you. Turn you into a wooden puppet under My control. But before I do that, I'm going to get you VERY relaxed, darling. Completely and totally relaxed... so you won't even be able to move a muscle. But you won't HAVE to... because I'LL be pulling your strings! I'll take care of EVERYTHING, babi. This is a very special dream-like mp3 with a double induction, so you will be especially deep when I make the changes in your relaxed and obedient mind. This mp3 is for both My male and female slaves. Yes... I like all kinds of little toys! 😊~
