Tax Time Tease

No sound it is literally a tease 😊~ A little video tease from Me! Yes, you crave every one of My teases. Even now at tax time, you crave to stare into My jade green eyes and gaze at My wicked smile as I show just what I think about paying My taxes every year. Oh yes, I DO pay them! MzDominica always obeys the law. But I have My little bit of fun. And you do too, when you exercise your obedience, your devotion, and your obsession and purchase My Tax Time Tease, over and over again! Serving Dominica is your greatest pleasure. And MzDominica loves to be pampered!
