Are you My dirty little whore? Yes, Mistress. Are you My dirty little whore, jessicablank? Yes, Mistress. That's all you can say, is "Yes, Mistress"... as I force you to become more and more addicted to Dominica. Addicted to the sight of your Mistress in a black rubber corset, My long blonde hair cascading downward, barely covering My delicious breasts... Addicted to the feel of sliding your hands up My shiny, nylon-covered thighs while I pump My strap-on in and out of your wet, open mouth!

Unable to touch your chastized pussy... masturbating almost constantly... but ONLY with your breasts... your fingers pulling and pinching and twisting your nipples! jessica is a dirty little whore, aren't you? Yes, Mistress! A dirty little whore. We need to put you in the shower... not just to clean you on the outside, but deep, deep, deep INSIDE as well! Sucking on Mistress' breasts while I slide the big nozzle DEEP up your ass, flooding your insides with the warm, soapy water! Yes, Mistress. That's right, little whore... RIDE the cramps, wave after wave, as you suck My hard, pink nipple... pleasure and pain... Filled with tubes and nozzles and SO much water! Yes, Mistress! While Dominica trains you for the ULTIMATE in orgasm control!

Because you don't get ANY kind of release, not any kind AT ALL... unless I give the command! And then... then, little whore, you can't hold ANYTHING back! Yes, Mistress. Every one of your open holes is going to squirt... going to gush... going FLUSH away ALLLLLLLL your resistance to Dominica's hypnotic power! Yes, yes, yes Mistress Dominica!

And then, whore... when you can barely stand... when your legs are weak and wobbly, and your mind is as completely empty as your body... then We can begin your DEEP conditioning! Enslaved to your Mistress Dominica, mentally and physically, forever!

you MUST obey Dominica!

you little enema slut! I'm going to make you CRAVE another enema, and another, and another... the deep, deep, warm soapy water... every time you think of Me! Every time!
