SUBL

Formerly titled Fem Blow Up Doll ~ All right, admit it... you've ALWAYS wanted to be MzDominica's helpless, little sex toy! And this time, you're going to get your chance! Because I'm going to turn you into a sexy, naked, rubber blow-up doll! Eyes fixed, staring into nothingness... mouth open, in a permanent "O"... arms bent at the elbows... legs spread in a gentle "V"... You're ready for ANYONE who wants to fuck you... Mouth open... ass open... Mmmmm... what else? Mistress might want this thick, rubber dildo you have between your legs... sliding up into My soft, warm, dripping pussy... Or...? How clever, that you have detachable parts! It's just held on with Velcro! So I can use you as a boy doll... or, with a little **ZZZZZZZI**PPPP, I can use you as a girl! And with the flip of a switch... **BZZZZZZZ**!... I can turn on your special trademarked "vibrating action"... Get that cock or pussy humming... get that open "O" mouth flicking your little rubber tongue against My hot, hard clitty! I'm going to blow you up... use you to get Me off... and deflate you when I'm done. And then I'm going to pack you up in a little box for storage, until the NEXT time I need you again! Little rubber sex doll! You're just filled up with air... just filled up with My breath... with My Voice... Dominica's Voice is the ONLY thing inside your empty, rubber head! And that throbbing, battery-powered vibrator... **BZZZZZZZZZ**!!!

RUBBER PROGRAMMING MODE – The key triggers from Rubber Programmer MP3 series is employed **HEAVILY** along with an array of other triggers from other rubber and femme files!!! This is a very long and intense induction it contains **ALOT** of subliminals and sound effects.
