

Blow Up Bobby

Some confessions are so EASY to extract... aren't they, slave boy? You started BEGGING to become MzDominica's helpless little sex toy... almost from the moment you first heard My Voice. And now... you're going to get your chance, babi! Because I want a MALE BLOW-UP DOLL. That's right... Mistress wants a sexy, naked, inflatable RUBBER BOY... with a hard, vibrating cock that NEVER goes soft... and an obedient flicking tongue that NEVER stops! Not till I want it to stop. Not till I press that button behind your ear and turn off the little motor inside your head. There's nothing else inside your head. There doesn't NEED to be. You're just a rubber plaything that I can use for My pleasure. And not just Mine... because you're going to be the hit of the bachelorette party tonight! I'd better bring a BIG box of batteries... and maybe a rubber patch kit! We don't want you popping a seam when you're about to make a girl POP... do we? hehehehehehe!
