

CUM slave Oral Servitude

You need to slip your warm wet tongue between My pussy lips and LICK Me to one orgasm after another after another. Oh yes, My horny CUM slave. Crawl over here and BEG to place your head between My spread legs, kissing your way up from My ankles to My knees to My silky thighs, all the way up to My smooth glistening pussy. I recorded this with one of My favorite vibrators humming against My clitty. Hee-hee-hee. So you can HEAR Me in pleasure, so you can HEAR Me panting with arousal, so you can HEAR Me squeal and scream in pure ORGASMIC delight! That's right, and when you do... when I CUM, slave... so will YOU. How long has it been since I last let you cum... Hours? Days? Oh... WEEKS? You're not even sure you REMEMBER anymore. Trigger after trigger after trigger from all My recordings, putting you into a DEEP obsessive trance, focusing you on your job which is to OBEY and PLEASE Dominica! And making you CUMMMMMMM. Yes, I KNOW how much you CRAVE that orgasm, how much you ACHE to squirt your creamy cum all over the place, to at last feel some RELIEF from all the pressure between your legs! And here it is, slave. Your chance to cum WITH Me. Every orgasm for Me is another orgasm for YOU. I'm going to ADDICT you to licking My pussy with the sheer PLEASURE of making you cum, slave... EVERY time DOMINICA cums!
