

Fem Fantasy Doll Babi

My sweet little feminized slave... you LOVE being My slave girl... you LOVE being My little toy, to play with... you LOVE being played with... Well, MzDominica wants to play with you some more... but Mistress doesn't want to play with you like THAT.

Oh, no, not like that... you are Mistress' little toy, and Mistress wants you to be MORE of a toy. Her little fashion doll.

And that is exactly what you become, as you find your body changing to delicious rubber, so that Mistress can inflate you, just like a sex doll... but wait! Not JUST like a sex doll. No, after all, you are a blow-up FASHION doll. See those bulges in the front? We can't have that, can we? They have to go. Yes, gone, gone, gone. Oh dear, then how will you get pleasure? What's left? Well, you have one opening left on the OTHER side, right? Luckily for you, Mistress will make sure that it is well filled, with Her strap-on, again, and again, and again, and again, and again... for 55 minutes of pure pleasure, in a brand new way... I hope you like it, because it's permanent...
