

Feminine Breeder 1

I have transformed your body... into a perfect, sexy, slutty female. And now... now you're going to have My baby! Oh, but how is that possible? If I'm a woman... and you're a woman...? Welcum to the miracles of Modern Science, babi! Deep down in My dungeon, I have a special laboratory... made just for Me, by My clever, faithful slaves! With a huge, tilting table... where I am going to strap you down... and spread your legs... And I am going to pump your pussy so full of artificial sperm, you can't help but conceive. All YOU have to do, My little slut... is CUM! Cum so intensely, you're not even going to be able to remember clearly, what happens in this MP3. Because I need to drive you to the edge. Pleasure and pain... pleasure and pain... lust and fear... I'm going to invade your body... I'm going to subjugate your mind... and I'm going to FORCE you to spasm, and shake, and absorb every drop from My huge, electro-mechanical strap-on dildo! What do you have to say about that? i must obey Dominica! Heeheehee... that's what I thought!
