

Feminization Chamber FLASH

Are you craving a little VISUAL stimulus, babi? You listen to My sleepy feminization MP3's... you fall under the spell of My hypnotic Words... and there is a tiny part of your brain that still remembers how to think. Oh, My little bimbo... Dominica can fix THAT! Yes, just stare at My beautiful flashing images... of pink hearts... and trigger words... and gentle, spinning spirals... of soft, pretty, hypnotic feminine colors. You can watch this file with ANY of My mesmerizing feminization MP3's. There are NO sounds in this Flash file. Only images. Pretty pictures and Words. My feminization chamber, transforming you into My silly little bimbo... Your DNA being changed... from baby boy blue... to pretty feminine pink! Triggers from My mind-blanking Cells... from Jessica and Diva... from Satina and Bimbo Suzy... from so many of My sweet feminization recordings... All flashing and weaving... gliding back and forth, spinning round and round... pulsing in your brain... creating rhythms of sleep... brainwaves of dreams... gentle susurrations of mindless obedience and acceptance. So you can watch, while you listen. Watch, while you listen. Watch, and go to sleep. Watch, and obey. Feeling your mind drop deeper... slipping away into an even deeper feminization trance, than ever before! This is not just a spiral there are many visual elements to accost your senses and bring My slutty hypno gurls to a new high in Hypnotic Feminization.
