

French Maid

Ooh, la-la! Such a pretty French maid for Dominica! Yes, you look so sexy in your flouncy little uniform. All in black with a little white apron! And those long legs in tight, fishnet stockings. Hold that feather duster up, little girl. Hold it up high! That's right, up over your shoulder, and let's see you pout your lips. Oh, you can do better than that! Say "Ooooh!" Mmmm... a LITTLE better. Perhaps if I take the feather duster, lift your skirt and trail the feathers up and down your thighs... up to your wet, little pussy. Now try again. Say "Ooooh!" MUCH better, My little French maid. Yes, you look so pretty. But you need to get back to work! I have many tasks for you to perform. Though you MAY have a little trouble concentrating on them... there are so many things your Mistress can do with a feather duster!
