

## Heart of Lust

Your valentines date didn't go very well. OK, it was a disaster! Calling into the date chat line hoping to make it a bit happier and hopefully wetter ;) seems like a good idea. I'm hot and you can tell by My voice this is going to be fun. you just concentrate on My voice and fall under My enchanting spell. My words make you so turned on and you know once we chat on Yahoo Messenger My words will be surrounded with hearts falling falling hearts all around drawing you deeper and deeper down with my sexy hearts. Only Dominica matters now... Yahoo Messenger chats with Me will never be the same. This is not just for Valentines day this is a must for every day... All day Every day! Dominica just made you Her Valentine 365 days a year
