

Hypnotic Blackmail Series Core MP3

Blackmail! The word strikes terror into your heart... but it excites you, too! You find yourself craving to become My blackmail slave... forced to do sexy, dirty things at My command, and then PAY Me not to tell anybody. Forced to Confess all your little sexual perversions... and then BEG Me not to tell your girlfriend or your wife, your boss or your family. Don't worry, blackmail slave... I'll keep ALL your dirty little secrets... IF your blackmail payment arrives in full and on time!

This trance is going to program you to become My helpless, enslaved blackmail victim. I don't want you backing out because you got cold feet... I don't want you to be ABLE to. So I'm going to create a little COMPULSION in you that will ensure your obedience! But to do that, I need to get you VERY relaxed, and VERY deep. THREE LEVELS of deepening inductions, to make sure your brain is open, pliable, and completely suggestible. You're going to enjoy it so much sliding down SO deep for Me, you're going to become addicted to listening over and over again. Which of course is exactly what I want... so I can reinforce your programming with every repetition.

You'd better be sure you want this, hunni. Being blackmailed by Me is going to become an OBSESSION!
