

# Hypnotic Cigarette Holder 1

I take you again only this time My sleek slim black cigarette holder is the instrument of your demise. Find yourself captivated and entranced in the plume of My drugged hypnotic smoke and so weak for holders you can not resist. Perched on a bar stool you become captivated by My presence. There is just something so very alluring and sexy about Me you simply cant look away. Making My way over to you your eyes widen as I produce a shiny silver cigarette case and a long shiny black cigarette holder mesmerized by the sight of My slowly twisting the filter into the holder and this just begins the fun 😊By the time I am done with you your desire for any woman smoking from a holder is so strong so very overwhelming you are now helpless to resist Us. You will find in real life women smoking with a holder, pictures, videos, any images of female cigarette holder users will not only intensify the effects it will make your fetish for them so very much more powerful. If you didn't have this fetish to start with you certainly will now 😊~ More More More is what you will beg for!!
