

Hypnotic Cigarette Holder 2

Hypnotic Cigarette Holder 2 is a wild adventure using regression to plant a new memory in your past that links your now addictive need to watch beautiful women smoke with holders to your past strengthening its hold on you, MY hold on you... I experimented with some disorientation techniques with sound including balance tricks and echoes... This is a very clear and fairly loud MP3 for a very enthralling experience... Be prepared to go back in time and back again My horny little slave we are going to be doing some serious time travel... Remember what it was like to masturbate when you were 15 so turned on and hot because of something you saw or experienced will this time its to Me MzDominica the most erotic powerful hypnotist on the net becoming your first ever hard on experience! If you liked Hypnotic Cigarette holder one your going to LOVE number two 😊~ Enjoy xxx's MzD.
