

Hypnotic HUMILIATION 5

It's party time! And you, My humiliated slave, are about to become both the serving staff AND the evening's entertainment! Dressed in a degrading maid's uniform of pink rubber, you will be serving drinks... and answering the door... and demonstrating to all of My female guests, how I have turned you into My helpless little toy. My humiliation toy... My pain toy... My sex toy. Mmmm.... Sometimes, I like to share My toys. And one of My guests has brought a special toy of her own! What happens when we bring our toys together, hers and Mine?
