

Hypnotic Interrogation 1

You are now a secret agent that I have captured. It will be your job to keep Me from finding out the secret information that you have been entrusted with, even though I will use all My hypnotic abilities to extract these secrets from you. Of course you will try with all your strength to resist Me, your beautiful but evil interrogator you will ultimately fail. Do you really think you can be successful? Do you think you can resist My Hypnotic powers? Some slaves like the FIGHT... You don't want to give in you want to be TAKEN, FORCED, your mind RIPPED open! Well here is your chance to fight for your freedom you finally found someone willing to fight you for your will and mind... Strapped down in My warm interrogation room, injected with mind control drugs, the never ending spinning spiral, BLINK BLINK BLINK goes the strobe lights as sleepier agent is trained to OBEY. Even your bed time nursery rhymes are not safe from Me try as you will there is no escaping My voice. CUM again and again at the end!!! Oh Yes!!! My hypno slaves get a sweet erotic treat when they finally give in to MzDominicas relentless pursuit for POWER over your mind and will. It just feels tooo good not to give in to Me!
