

# Hypnotized STROKER MP3

Yes, your most basic need. You need to CUM! You cant get through the day, unless you can find a few minute to STROKE STROKE STROKE yourself and spurt your hot, wet cum. Pushing away all cares, letting go of every tiny tension, every little tic mark on your perpetual “to do” list. You don’t need “to do” it RIGHT now. You can put it off till later for just a few minutes. And feel Dominica’s soft, warm hands trailing down your chest... down your stomach... down to your hard, pulsing cock! You need this release... Release created by MY hands through yours. Yes you feel MY hands stroking you and you cant control how fast how hard how long I decide to take your sexy body under My control! EVERY day you need it day in day out more more more... And only I can give it to you. You are going to crave to be STROKED by Dominica, again and again, giving you the relief you need, the relief you CRAVE.
