

Jessica in Shiny Hypnotic Hose

Nylons... panty hose... stockings... Mmmm... garter belts! What is it about them, that fascinates you so very much? The shiny, shimmering hose, so tight around a woman's legs. Is it the stockings that give her legs that special, graceful curve that you crave so much? Or is it her legs that give the hose their form... the shape that brings you to your knees! Yes, you know your place, don't you, My little nylon junkie... You know you belong on your knees, down on the floor, staring up at My legs. You can see My skirt, hiked midway up My thighs... But you're not trying to look up between My legs, ARE you... No, you find yourself staring at My smooth, firm calves... at My slim, sexy ankles... at My delicious wiggling toes... You love the look of tight, shiny hose... The light reflected in a long, curved line, so shimmering and bright... Taking your thoughts away... taking your will away... and making you crave to kiss your Mistress Dominica's nylon-covered legs! In the end it will be you in the hose My darling... you controlled and beautified by My special pantyhose jessica... jessicaaaaaaaaaaaaaa Mmmmmm
