

Kimmy K's Curves

My sweet slutty girl! That's what you've always wanted to be, isn't it? You have always thought the SLUTTY women look the most beautiful! And you've always wanted to be one of them! With big round boobies and cleavage so deep you can get lost down inside... Wearing tight sexy dresses that make your ass look yummy, round and fuckable! And teeny tiny mini-skirts that show off your long, smooth legs! You want the other women to look, to stare, to crave to touch you. That's right, the women. Because you're a bit of a lesbian, aren't you? A horny lesbian slut, who just can't get enough. Especially when I'm around. Dominica is the one you dress up for, the one you want to grab you and pull you into bed and give your wet pussy the licking of your life! Oh, I'm going to do that, babi! This recording has a DEEP induction, transformation, and lots of HOT girl-girl action! You're going to need to change the sheets when we're done, darling! And then you're going to want to do it all over again!
