

Lesbian Hooker 2

Just a little visit to the doctor's office, hunni! The OB-GYN. Mmmmmm.... Take a deep breath... and smell My perfume, mixed with the chemical scent of disinfectants... and starched white uniforms. Yes, you're here for your regular pregnancy exam! Oh, don't you remember? Your belly is so big and swollen! And your breasts are already beginning to drip with milk! A little squeeze... just a LITTLE squeeze... I think you're going to squirt! Mmmm... I think you LIKE to squirt! It gets you so wet... down there, between your legs... Down there, where My latex-gloved hands are probing... and sliding... and pumping... Oh, you are so stretchy, hunni! So LOOSE! But I'm going to get you nice and slippery anyway... with plenty of lubricant... so I can slide My hands inside... and make sure EVERYTHING is okay! But whose baby IS it? Don't you know? Can't you remember the flickering candle? The late-night telephone call? The command... to present yourself at My doorstep? And feel My warm arms guide you down into My dungeon... down to the big table with the leather straps... for implantation! Heeheehee... No, you can't remember ANY of that! But you realize... this is My baby... this is Dominica's baby... That's the real reason, isn't it? The real reason you feel so horny, My little Breeder. The real reason you LOVE My hands thrusting in and out of your pussy and ass! I'm going to make sure our baby is born healthy... and I'm going to monitor every vital sign... every change in your blood pressure... every heart beat... to make sure... leaving nothing to chance! You won't mind, of course... all the shiny, metal devices I attach... to your nipples... to your pussy... to your slippery ass! You're going to want to listen to Lesbian Hooker 1 before you listen to this... to enjoy the FULL effects of My sweet, seductive Voice!
