

Lilith FLASH

SUBLIMINALS – JESSICA SATINAAAA SUGAR a bonanza of femme triggers and boot images sure to blow your sexy little mind slut! your voyage begins with a spinning flower... Lillith sleeps deeply tonight... I am beyond human. I am above human. I am the Wind. I am between Dream and Wakefulness. I am before all other women. I am the First. I am the Only. I am Dominica. Dominica. Dominica. You will gaze upon My images, falling into My world of Dreams... My world of Symbols... My world of Triggers. Yes, hypnotic triggers, that pull you so deeply under My spell. So deeply under My Power. Gaze at My simple spinning spiral, and listen to My Voice. Hear Me. Pulling you down. So gently at first. So seductively. You hardly notice that it is happening. But you find yourself caught. Find your mind drifting away, as your eyes stare helplessly at My images... As your ears listen, helplessly open to My words. As My triggers pull you deeper and deeper into mindless addiction... My Voice controls your thoughts. My images beguile your eyes. And My Triggers draw you deeper and deeper... over and over again... Down into helpless, mindless fascination. A receiver. A mindless receiver. You find yourself open to all My images. All my Triggers. All of Dominica. I have always been here. In your mind. Your mind that has no thoughts. No thoughts. Only Dominica. I am everything. And you are nothing. And you will stare into My images, flashing and spinning. Listen to My Voice, seducing and commanding. Fall into My trance, helpless and obedient. Over and over and over. Unable to stop. Unable to think. Unable to do anything... but stare, and listen. And obey!
