

# Mail Order Bride

This is your chance, girl. To finally get away from the drudgery of your humdrum existence, and to become the wife of someone who will keep you, desire you, and treasure you... You will become a mail-order bride! You began as a peasant factory worker, in a third-world country. But your fortunes have changed, and now you have the opportunity to sign up for a chance at happiness and prosperity. Of course, you WILL need to undergo a bit of training, to prepare you to behave properly in your new home. Oh, did I happen to mention, that your new spouse-to-be is a Lesbian? And She has some VERY special requirements regarding your education. This mp3 employees some new sound effect tricks I have been experimenting with to produce vibrations. Mmmmm My darling cum to me now and by My mail order bride!
