

Menstrual Synchronization Task 1

Dominica's Period

TEXT TRANCE, TASK, AND PERSONAL CALENDAR IN E-MAIL ATTACHMENT – Girls and femmes, synchronize YOUR period with MZDOMINICA'S period!

Hey girl! Yes, I'm talking to YOU, My sexy little femme! It's time to talk about your monthly cycle, darling. Your PERIOD. :=O Oh yes, I am going to give you access to My very own WomanLog calendar, princess. That's right, the REAL THING! So you know EXACTLY when your "special days" are... because they are the same as MY special days!

That's what happens when we are TOGETHER, darling. When several women live in the same house or apartment, they all have their periods at the SAME TIME. Our PHEROMONES cause our bodies to SYNCHRONIZE with each other.

You are going to feel bloated and bitchy when I feel bloated and bitchy, have cramps when I have cramps, wet your panties when I wet MY panties... And you... are going... to LOVE it! Because you love EVERYTHING that brings you CLOSER to Dominica! That makes you more... like... ME.

Are your nipples SORE and TINGLING, hunni? Is your back ACHING? Are you feeling a little MOODY? Maybe it's only your imagination... or MAYBE it's because WE are on our CYCLE this week. But the ONLY WAY you will ever REALLY know is if you GET MY CALENDAR!

Mmmmmm... I can be so WICKED sometimes! Hypnotic PMS, hypnotic cramps, hypnotic WET PANTIES! And making you CRAVE to be JUST LIKE DOMINICA!

I KNOW what you want, darling. And I KNOW what you need. We were MEANT to be TOGETHER. To experience EVERYTHING... together! Even our monthlies! You MUST get this Task!
