

Mermaid FLASH

SWF FORMAT – 11 MINUTES – SUBLIMINALS – Relax DEEPLY as I plunge you into My Hypnotic Ocean of bliss... So relaxed you find you can't look away from the images My flash techniques force into your mind... Two spirals spinning in opposite directions grab your attention and KEEP it as I take you deeper and deeper with many seductive words, images and hot aquatic suggestions. Subliminal flashes of commands and triggers, some barely noticeable and some almost invisible, combine to enhance My full induction "Entrancing Mermaid" MP3 with visuals designed to slip your brain into neutral. The original mp3 was taken and coupled (Mmmmm did I say coupled??? HeHe) with My FLASH file. FLASH it takes you deeper FLASH deeper into My wet world of control FLASH closer and closer to Me now DEEPER and DEEPER... How deep can I bring you??? Cum here and find out!!!

The subliminal file is .swf format. you simply right click the file, choose open with, then choose Internet Explorer or any other browser with FLASH.

This file is SILENT, so it is the PERFECT visual companion to My "Entrancing Mermaid" MP3, which you may purchase separately. Read the description, darling... I know you won't be able to resist.

Enchanting Mermaid: My body is so shiny, so enchanting. I lured you deep into the depths of My enchanted hypnotic ocean. Singing My siren's call, you cannot resist the temptation to sink deeper and deeper until you can no longer resist the temptation to reach out and touch My silky long blonde flowing hair. Lost inside your own lust and desires for Me you succumb to My hypnotic song and find yourself lost at sea. No recollection of the life you once lived. There is no escape from My aquatic strong hold over your will you must obey you must lust you must touch fondle and submit to My will and desires now. Beautiful shiny mermaids were once the thing of fairytales. Experience the passion of the mermaid firsthand under sublime hypnotic control.
