

Queen Passionates ORGASM

I have just released My next lesson for you. Do you want to know how to please your Queen? This MP3 will allow you to do this two-fold. First, you please Me by purchasing your training. However, this lesson will give you the opportunity to please your Queen, by learning what She likes. Have you ever wondered what a sensual woman feels when She has an orgasm? Feel the emotions, feel the sensations flow through your body as your Queen Passionate guides you. A total mind and body experience awaits you. This is NOT a feminization trance; it simply allows you to experience what the Superior gender feels for a brief period of time. One you will want to experience again and again and again and again...
