

# RELEASE from MzDominica

This is it. You begged Me for release. And now, here it is. I know... you can't stand it anymore. You hear My Voice in your mind... twenty-four hours a day, seven days a week. Dominica... Obsessed... over and over... endlessly conditioning you to obey... brainwashing you to obey... You used to love it. Now... you can't stand it. You're afraid. You're exhausted... You can't sleep. You get headaches. You find yourself neglecting your work, your family, your health. Nothing matters but Dominica... Dominica... Dominica... You KNOW this to be true. You are My follower... BLANK... mindless... obedient... My little Jessica... My Bimbo Suzy... Satina... yes you feel like you're splitting apart... on the edge of psychosis... you and the boy, locked away... locked away... brainwashed endlessly and locked carefully away. Cum slave so desperate to squirt... your balls ache... your tiny, flaccid penis just doesn't work anymore... And you find yourself crying for relief... craving to escape... begging for Release. Yes... begging... Because you can't DO it on your own. You never could. Oh, you tried. You tried to just walk away... run away... Erase My mp3's and stop listening... stop visiting My website every day, looking for the next sexy fetish... the next mind-warping brainwashing trance... But you couldn't do it... COULD you? You CAN'T do it... Not for long. You keep coming back, and coming back, BEGGING Me to take you again, harder. To take you deeper, rape your mind, fuck your synapses... and treat you like the little junkie you KNOW you are. Craving your next FIX... of My Voice... of My commands... You can't live without Me. You want to quit... you want it SO bad! But you are weak... you are weak... I know... You can't do it. And so you beg Me to do it FOR you. To release you. To LET you walk away. To PERMIT you to become a whole person again... Not a helpless, mindless, hypno-whore. Not a toy, for My amusement. But I'm not going to LET you walk away, slave... Not for free... It's going to COST you... you're going to have to BUY your way out. Just like the slaves did in ancient Rome... their slaves had the RIGHT to buy their freedom. But it didn't come cheap. Slaves are valuable. A slave needed to compensate his Master... for lost value... for work uncompleted... when he was gone. So I'm not letting you off cheaply. Oh no. But I AM going to let you BUY... your freedom. And this is an honest deal. No hidden agendas. No secret triggers. I will NOT install any compulsions to force you to return to Me. You will be free and clear... to go away... and never return... No longer will I have a hold on your mind... or control of your body... or a grasp on your wallet. Are you willing to pay the price? The price for the one LAST hypno-session... that will set you FREE!
