

Rear View Rapture 1

This is INTENSE ORGASM CONTROL... You are parked in your car, and you look in the rear view mirror. You see ME. I have a special surprise for you. It's time increase your sexual appetite, and put new erotic thoughts DEEP inside your mind now.. I excite you, increasing your lust, desires, and passion as you become SO very sexually aroused then forced to cum over and over and over again 😊~ Sitting in your car you find yourself MILKED so many times you just can not cum anymore! This ride is so wild I make you cum in a whole new way now. ONE SINGLE DROP AT A TIME! Ordinary orgasms will never quench your thirst again you need the ULTIMATE in orgasm control now and you can have it babi just look into the rear view mirror and see Me there capturing, controlling, literally changing you every single time. You will crave to hear this one over and over and over and over again. STOP signs take on a new meaning, every single time you see one now it TRIGGERS you to feel something special. See My glowing green hypnotic eyes in your rear view mirror rendering you sleepier and sleepier, more and more helpless and drained of all WILL to resist or fight MzDominica. Your daily ride to work will NEVER be the same again once you dare to give in to My sexy hypnotic controlling vehicular desires!
