

Rear View Rapture 2

NO HANDS ORGASMS. Still blown away by being forced to cum one drop at a time you long for more more more release now you CRAVE for more intensity and you're going to get it babe! This time I pull you through the rear view mirror and trap you in the mirror-line where glass meets metal a whole new universe to explore. I have extracted your hottest sexiest fantasy and I make it CUM to life seducing you with your most inner desires but there's a catch a very erotic, seductive catch you CAN NOT TOUCH! Frozen hands at your sides you find yourself forced to CUM without the aid of touch... New and intense feelings and desires leave you absolutely breathless as you're trained to CUM slave CUM DOMINICA'S WAY!!! If you need something really different and unique I recommend this series as there is NOTHING like it out there this is as controlling and hypnotic as Orgasm Control gets 😊~
