

Rubber Doll 1

Welcome to MzDominica's Rubber Fashion Boutique! I have so many delicious rubber toys to show you, My little femme slut. I have a big can of black, liquid latex here, and I have so many ideas for costumes and clothing that I can simply paint onto your helpless, rubberized body. You are going to learn to crave being encased in latex, and turned into My helpless Rubber Doll! My sex toy, available for ANY perverted little fantasies I might have in mind! (And I have quite a few!) My sexy doll ends up in My display window frozen in deep hypnotic bliss. your an object now some realize your breathing others don't either way everyone wants to see the sexy black rubber dollie with her short pink latex mini skirt and high high heels oh yes My little rubber slut is now ON DISPLAY where she belongs until I am ready to USE her again!
