

Rubber Mind Melt

Mmmmmmmmm, My little rubber slave. Rubber rubber rubber, all over your body. Encasing you. Arousing you. Entrancing you. You love having your rubber suit on don't you? Tight, thick, heavy rubber! And I love it that when you are wearing rubber, I can change you into anything I want... make you do anything I want... even make you THINK anything I want. And you are helpless to resist, just the way I want you to be. And you love it. You love being my little rubber slave. I think I will use it to change you again... to give you a sexy female body... the woman's body you have always craved! Oh... and don't worry about how to take the suit off. This time it STAYS on. To make you Dominica's helpless rubber toy. My plaything. My little rubber GIRL. Forever.
