

Rubber Programmer 1

If latex and rubber is your fetish this is the perfect lure for Me to take over your will... If not, you will be instantly programmed to CRAVE My slender rubber coated hands slowly massaging your temples in circles over and over again and again until what little will you once had is rubbed away... Thigh highs, shiny spirals, and on command orgasms will be your new vices... You will try so hard to resist but the advanced hypnosis and NLP techniques will leave you completely helpless and obedient to MzDominica's commands!!! This is ADVANCED hypnosis and slavery it is as strong as a CELL expect no less than total imprisonment of your mind...

Length 33 min
