

Sacrifice for MzDominica

I know what you crave, babi... you want to become a better hypnotic slave. But you're just not sure HOW. Don't worry... you NEVER need to worry when you're with MzDominica. In this mp3, I'm going to TRAIN you how to serve Me. Yes, I'm going to teach you to be My obedient little MONEY slave. And it's not going to be hard. Because you already HAVE the money... you're just spending it on OTHER things... All you have to do is sacrifice a little bit... a few minutes of your time to listen... some little things you don't need anyway... maybe a few brain cells. Oh yes, I start things out light... seductive... even playful... But soon you're going to find yourself dropping SO deep into trance, your responses are going to become automatic... mindless... robotic... Mmmmm... Then the REAL conditioning can begin! you're going to learn to serve Me VERY well!
