

School Girl 2 – Sorority Keg Party

What EVER am I going to do with you, My slutty little school girl? Yes, all you seem to think about is sex. Twenty-four hours a day, seven days a week. You COULD concentrate on your classes for an hour or so... once in a while... Couldn't you? Even though the professor's voice, going on and on, in the warm afternoon, makes you so sleepy... makes you daydream, and spread your legs so wide, fantasizing about My wet, pink tongue sliding up between your pussy lips and flicking against your hard clitty. I think you just need to relax. Need to do something that doesn't involve your brain at all! Hmmm... There's a kegger at the sorority house tonight... an all-girl party! Maybe there are enough beautiful women there to scratch that ITCH between your legs. Maybe... Especially if your Headmistress Dominica does something to help to get the evening started...
