

Schoolgirl 3 – Anime

Ah, the dangers of falling asleep while watching Japanese cartoons! You're going to become PART of the story... one of the boy students attending My college. But don't worry... even if you're not the swiftest of students, you're going to get good grades for participation! Some of the girls at My university are such little tarts... and they LOVE to tease! You're not going to be in your clothes for very long... No, not YOUR clothes... Oh, you are going to have SUCH a good time with Dominica's schoolgirls — but you HOPE your friends don't see you like this!
