

# Sissy Blow Job Slave

This is for My very SPECIAL T-Girls... the ones whose mistresses want to have their girly-boys focused completely on something that only MEN have! Better be careful, My little sissy... this one could change your entire outlook on life! It's so easy... because you're already obsessed with cocks, or you wouldn't BE here... in My special brainwashing class... feeling your obsession growing! You're already salivating, aren't you? Already DROOLING with the realization... that in a few, short training sessions, you are going to become a helpless slave to sucking long, thick, throbbing cocks. you're going to ache to please them... you want to give them the pleasure of your soft lips... your hot tongue... and you crave to feel them squirt into your mouth! That's right... squeeze your nipples! your orgasm will only happen when you feel the pulse of his lust, and taste his hot cum! Mmmmmm... and then you will find yourself crawling to the feet of the next man in line, begging him to thrust his hard cock into your hungry mouth! Only a fantasy? Perhaps... but you're going to find yourself triggered constantly... endlessly aroused... your soft mouth dripping and craving to suck... every moment... all day and all night!
