

Slave Potion Number 9

You walk into the magick shoppe, daring to hope the rumors might be true. That inside there is a sexy Sorceress who has the secret... You have yearned, for years, to become enslaved by a beautiful, dominant woman. Yet somehow, you could never let go. Perhaps, under a magic spell, you could be taken. Forced. Turned into a helpless zombie, unable to resist. But where is she? The shoppe seems so dark, with mysterious things on the shelves. A fun bit of role-playing, here — and you just may discover the Sorceress too powerful to resist! This MP3 is heavily treated with BINAURAL beat effects for the deepest trance state possible.
