

Split Subliminal Flash

Ah, My poor, confused little slave. You worship and obey Me... but your reality is split! Between your everyday working life... and your servitude to Me, your hypnotic Goddess! You are SPLIT. You are soooooooo confused. Mmmmm, yes... But you LOVE the confusion. You LOVE it. You LOVE not knowing... who you are. As your reality continues to fracture. Who you are. Well... This new Flash induction is going to help you. That's right. It's going to help! Not by merging your realities, oh no!... But by splitting them, even further. Splitting... You like when they're splitting... Until you don't even know who you are anymore. You don't even know... Well, actually, you WILL know WHO you are. Yes... You are My slave. You serve Dominica. You MUST obey Dominica. And you must buy "Split." You need the compulsion. You need to view it again, and again, and again... until your mind has turned into a little lump of blissful, obedient mush. Soft, wet mush. You LOVE your mind being mush. Mind mush. You LOVE to obey. Just obey and watch... and feel yourself SPLIT!
