

Subliminal Fixation Picture 2

Deep and slow here we go... Deep Deep Down until body and mind is relaxed and easily hypnotized by the VOICE... CODES of colors, words, and hypnotic triggers, yes all those words your always wanting, needing, craving Me to whisper into your ear the same words you have been programmed with now My slave Mmmmm... Sometimes you see slaves sign with CFOV at the end of their signatures and this is because they listened to this MP3 😊Yes I am that good 😊yum... Chant your new mantra now slave chant it over and over not able to help yourself anymore it feels too good to chant to stop only obeying feels this intense now! Forced to masturbate in a blank state chanting my mantra over and over again forced to cum and forget that way you do it all over and over and over again oh yesssss... Its so very sexy but you just mind that its quite intensively presented hypnotically and subliminally this is an advanced MP3. Repeated listening will intensify the effects. A special custom made subliminal picture is included in your purchase it is made just for this recording.
