

# Suzy's Bimbo Obsession

My beautiful, sexy little Suzy... My precious little bimbo... You're developing an obsession, aren't you? Yes, I can tell. Every moment that your brain is empty, you crave to remain that way... as Dominica's mindless little airhead. It's so seductive... so relaxing... You never want to be anything else. And you find your need growing, every day... to be My sexy, little nympho. My flirty, little slut. All curves and giggles... Big, soft, squeezable titties... a wet pussy that always needs to be filled... and a soft, warm mouth that needs to suck! Spread your long, smooth legs, girl. Mmmm... the hose makes them look so silky, so shiny. So pretty. You love being pretty, and sexy. And you love obeying Dominica. Just sit in My lap, girl, and spread your shapely legs wide. Feel My fingers rubbing your hard, little clit through the hose... while I whisper in your ear, and take you deeper and deeper down into blissful, mindless bimboland...
