

TG Finishing School 3

I love sexy sultry Lady Boys! They are so pretty! With their perky full breasts... Their smooth, satiny skin... Just a touch of make-up... Long hair brushed down to their shoulders, or in a little pony tail... They wear such darling tight, little dresses, showing off their long, shapely legs. See them walk down the street with tiny, mincing steps in their sexy, high heels. So adorable! They look like perfect, sexy women. Ah, but under that tight skirt, there's something extra. Mmmm.....
