

# The Cell 1

True MINDFUCKERY! In the course of listening to MY fascinating account of how your memories are stored away... You will discover that your mind is not impregnable, and that, in fact, I MYSELF have gained admittance, I can stir powerful emotion within your mind by replaying past experiences, or by bringing hidden desires to the surface....I control your mind, and I control your will now. All of your wants, needs, and desire have become Dominica's wants, needs, and desires. All of your thoughts and memories have become Dominica's thoughts and memories... Nothing of the old you is sacred here I gain access to all of your emotions and I use them against you. My hypnotic mind control spray renders you completely helpless to My powers. As the vault door closes locking you deep inside the first cell which is in fact your own mind you find yourself rendered completely helpless to resist or escape Me. Only MzDominica know where you are and only I have the key to release you from this mental odyssey of intrigue, adventure, passion, and utter mental slavery.
