

The Cell 10 – The Cult

Listen to Me, slave. Your life is about to change. Listen to Me. You will now become part of My Cult... The Cult of Dominica. You will experience what it is like to be one of My mindless, devoted followers... twenty-four hours a day... Obedient... Interchangeable... And joyfully serving Me, your Goddess! Yes, My recordings and My videos bring you such pleasure... The sound of Dominica's seductive and commanding Voice echoes in your mind... All day... every day. All night... every night. Guiding you... shaping you... When you are awake... when you are asleep... You crave more... you ALWAYS crave more. And you want everyone else... the entire world... to know the JOY of Dominica. To feel their minds being taken away, and replaced with My will. To devote their lives to My service, as you have. And you will do EVERYTHING to make that possible. You have no choice. You have been in My Cells for so long now... so long... you find that you can no longer exist without them... I won't LET you exist without them. I will make you part of Me... part of Dominica... forever!
