

The Cell 6

Are you surprised to find yourself behind BARS? Locked in a tiny DUNGEON cell... made of rough, cold STONE... KNEELING, naked on the floor. Your only companion is a full-length picture of ME on the wall. Dominica! Dominica! My name makes your mind and body QUIVER with PLEASURE! Dominica! Look UP into My EYES... the green eyes in the PICTURE... and feel yourself go BLANK! B L A N K ! ! ! Deep into blank mindlessness... worship... CRAVING for Dominica! Only one of thousands of My identical, mindless followers. Chanting day in, day out, aroused and dripping... Responding helplessly to My programming... the intense brainwashing... the little electronic CHIPS I have inserted into your brain... FORCING you to respond EXACTLY as you have been conditioned. Over and over and OVER again! But that's only where it starts. Because you are taken out of your cell for a very, very special performance at one of MzDominica's parties... an object of amusement for the entire crowd... you will discover some new, very special triggers... ones that will give you new ways of feeling... pure... irresistible... PLEASURE. You will find yourself immobilized in a form fitting cage. And then... then you will be offered to another Mistress... she will try to take you down.... using even MzDominica's own triggers... and you will discover how well I protect My slaves. And, as a reward for your loyalty, I'm going to give you something new, slave. MzDominica gives you a new way of having orgasms... so that nobody else, not even someone standing right next to you, will ever know. You're going to find out what you've been missing. You're going to find out that you have ALWAYS belonged to Me. And you always will.
