

The Cell 8

*****REBIRTH*** CAUTION:** Listening to this recording will change you forever. In “Cell 4” you surrendered to Me completely. Then you became My mindless devoted follower, worshipping Goddess Dominica in My hypnotic temple. In this recording, I bring it all together. Like a jigsaw puzzle, each piece a different part of your training, your conditioning. The old you is not there any more. You are brainwashed. You are My slave, My worshipper. Now, your old life is discarded, erased. You can never go back. And you are re-born into a new life in My world, completely controlled by Me. But do not worry, slave — because I have a way for you to function normally in the “outside” world. As an actor, pretending that you are still the person you once were, you will convince everyone else that nothing has changed. Only you and I will know, that inside you are an empty, brainwashed robot, eternally enslaved to MzDominica, your Goddess!
