

# Tiny Penis 1

Yes, My little tiny-dicked wonder. Little humiliation junkie. You get off on it when a beautiful woman points at your tiny penis and begins to laugh, don't you? Awwww, does that make you feel bad? But it makes you feel aroused, too. It would make you get hard, if you COULD get hard. Well, sometimes you DO get hard... but you don't get BIG. And MzDominica knows just what to do with a twisted little slave-boy like you. And I do mean little! I'm going to make you even MORE twisted, and make sure you NEVER forget what a disappointment your tiny package is for a woman who truly loves cock! But don't worry, My teenie-weenie slave, I'm going to make sure to put you to good use, serving women the only way someone like you can!
